Each of L&G and L&GF accepts responsibility for the information contained in this Information Memorandum. To the best of the knowledge and belief of each of them (having taken all reasonable care to ensure that such is the case), the information contained in this Information Memorandum is in accordance with the facts and does not omit anything likely to affect the import of such information.

Any reference in this Information Memorandum to listing particulars means this Information Memorandum excluding all information incorporated by reference. Each of L&G and L&GF has confirmed that any information incorporated by reference, including any such information to which readers of this Information Memorandum are expressly referred, has not been and does not need to be included in the listing particulars to satisfy the requirements of the Financial Services and Markets Act 2000 or the listing rules made under Section 74 of the Financial Services and Markets Act 2000 by the UK Listing Authority. Each of L&G and L&GF believes that none of the information incorporated therein by reference conflicts in any material respect with the information included in the listing particulars.

No person has been authorised to give any information or to make any representation other than those contained in this Information Memorandum in connection with the issue or sale of the Notes and, if given or made, such information or representation must not be relied upon as having been authorised by L&G, L&GF or any of the Dealers or the Arranger (as defined in “Summary of the Programme”). Neither the delivery of this Information Memorandum nor any sale made in connection herewith shall, under any circumstances, create any implication that there has been no change in the affairs of L&G or L&GF since the date hereof or the date upon which this Information Memorandum has been most recently amended or supplemented or that there has been no adverse change in the financial position of L&G or L&GF since the date hereof or the date upon which this Information Memorandum has been most recently amended or supplemented or that any other information supplied in connection with the Programme is correct as of any time subsequent to the date on which it is supplied or, if different, the date indicated in the document containing the same.

The distribution of this Information Memorandum and the offering or sale of the Notes in certain jurisdictions may be restricted by law. Persons into whose possession this Information Memorandum comes are required by L&G, L&GF, the Dealers and the Arranger to inform themselves about and to observe any such restriction. Subject to certain exceptions, Notes may not be offered, sold or delivered within the United States or to U.S. persons. The Arranger and the Dealers have not separately verified the information contained in this Information Memorandum. None of the Dealers or the Arranger makes any representation, express or implied, or accepts any responsibility, with respect to the accuracy or completeness of any of the information in this Information Memorandum. Neither this Information Memorandum nor any other financial statements are intended to provide the basis of any credit or other evaluation and should not be considered as a recommendation by any of L&G, L&GF, the Arranger or the Dealers that any recipient of this Information Memorandum or any other financial statements should purchase the Notes. Each potential purchaser of Notes should determine for itself the relevance of the information contained in this Information Memorandum and its purchase of Notes should be based upon such investigation as it deems necessary. None of the Dealers or the Arranger undertakes to review the financial condition or affairs of L&G or L&GF during the life of the arrangements contemplated by

this Information Memorandum or to advise any investor or potential investor in the Notes of any information coming to the attention of any of the Dealers or the Arranger.

In connection with any Tranche (as defined in “Summary of the Programme”), one of the Dealers will act as a stabilising manager (the “Stabilising Manager”). The identity of the Stabilising Manager will be disclosed in the relevant Pricing Supplement. References in the next paragraph to “the issue of any Tranche” are to each Tranche in relation to which a Stabilisation Manager is appointed.

In connection with the issue of any Tranche, the Stabilising Manager or any person acting for him may over-allot or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail for a limited period. However, there may be no obligation on the Stabilising Manager or any agent of his to do this. Such stabilising, if commenced, may be discontinued at any time, and must be brought to an end after a limited period.

In this Information Memorandum, unless otherwise specified or the context otherwise requires, references to “£”, “pounds”, “pounds sterling” and “pence” are to the lawful currency of the United Kingdom of Great Britain and Northern Ireland (“United Kingdom” or “UK”), references to “U.S. dollars” and “U.S.\$” are to the lawful currency of the United States of America and references to “¥” are to the lawful currency of Japan and references to “euro”, “EUR” and “€” are to the currency introduced at the start of the third stage of European Economic and Monetary Union pursuant to the Treaty establishing the European Community, as amended from time to time.

DOCUMENTS INCORPORATED BY REFERENCE

This Information Memorandum should be read and construed in conjunction with each relevant Pricing Supplement, the most recently published audited annual accounts, and any interim accounts (whether audited or unaudited) published subsequently to such annual accounts, of L&GF and L&G from time to time, which shall be deemed to be incorporated in, and to form part of, this Information Memorandum and which shall be deemed to modify or supersede the contents of this Information Memorandum to the extent that a statement contained in any such document is inconsistent with such contents; provided, however, that no such document or modifying or superseding statement shall form part of the listing particulars issued in compliance with the listing rules made under Section 74 of the Financial Services and Markets Act 2000.

SUPPLEMENTARY INFORMATION MEMORANDUM

If at any time L&GF or L&G shall be required to prepare supplementary listing particulars pursuant to Section 81 of the Financial Services and Markets Act 2000, L&GF and L&G will prepare and make available an appropriate amendment or supplement to this Information Memorandum or a further Information Memorandum which, in respect of any subsequent issue of Notes to be listed on the Official List and admitted to trading on the London Stock Exchange’s market for listed securities, shall constitute supplementary listing particulars as required by the UK Listing Authority and Section 81 of the Financial Services and Markets Act 2000.

Each of L&GF and L&G has given an undertaking to the Dealers that if at any time during the duration of the Programme there is a significant change affecting any matter contained in this Information Memorandum whose inclusion would reasonably be required by investors and their professional advisers, and would reasonably be expected by them to be found in this Information Memorandum, for the purpose of making an informed assessment of the assets and liabilities, financial position, profits and losses and prospects of L&GF and L&G, and the rights attaching to the Notes the Issuer shall prepare an amendment or supplement to this Information Memorandum or publish a replacement Information Memorandum for use in connection with any subsequent offering of the Notes and shall supply to each Dealer such number of copies of such supplement hereto as such Dealer may reasonably request.

Each Series may be issued in tranches (each a “Tranche”) on the same or different issue dates. The specific terms of each Tranche (which will be supplemented, where necessary, with supplemental terms and conditions and, save in respect of the issue date, issue price, first payment of interest and nominal amount of the Tranche, will be identical to the terms of other Tranches of the same Series) will be set out in a pricing supplement to this Information Memorandum (a “Pricing Supplement”).

Certificates representing Registered Notes that are registered in the name of a nominee for one or more clearing systems are referred to as “Global Certificates”.

Clearing Systems:

Clearstream, Luxembourg, Euroclear and, in relation to any Tranche, such other clearing system as may be agreed between the Issuer, the Issuing and Paying Agent, the Trustee and the relevant Dealer.

Initial Delivery of Notes:

On or before the issue date for each Tranche, the Global Note representing Bearer Notes or the Certificate representing Registered Notes may be deposited with a common depositary for Euroclear and Clearstream, Luxembourg. Global Notes or Certificates may also be deposited with any other clearing system or may be delivered outside any clearing system provided that the method of such delivery has been agreed in advance by the Issuer, the Issuing and Paying Agent, the Trustee and the relevant Dealer. Registered Notes that are to be credited to one or more clearing systems on issue will be registered in the name of nominees or a common nominee for such clearing systems.

Currencies:

Subject to compliance with all relevant laws, regulations and directives, Notes may be issued in any currency agreed between the Issuers and the relevant Dealers.

Issues of Notes denominated in Swiss francs or carrying a Swiss franc related element with a maturity of more than one year (other than Notes privately placed with a single investor with no publicity) will be effected in compliance with the relevant regulations of the Swiss National Bank based on article 7 of the Federal Law on Banks and Savings Banks of 8 November 1934 (as amended) and article 15 of the Federal Law on Stock Exchanges and Securities Trading of 24 March 1995 in connection with article 2, paragraph 2 of the Ordinance of the Federal Banking Corporation on Stock Exchanges and Securities Trading of 2 December 1996. Under the said regulations, the relevant Dealer or, in the case of a syndicated issue the lead manager (the “Swiss Dealer”), must be a bank domiciled in Switzerland (which includes branches or subsidiaries of a foreign bank located in Switzerland or a securities dealer duly licensed by the Swiss Federal Banking Commission as per the Federal Law on Stock Exchanges and Securities Trading of 24 March 1995). The Swiss Dealer must report certain details of the relevant transaction to the Swiss National Bank no later than the relevant issue date for such a transaction.

Maturities:

Subject to compliance with all relevant laws, regulations, directives and requirements of the Financial Services Authority (“FSA”),

Senior Notes and Dated Subordinated Notes (as defined below) may have any maturity. Undated Subordinated Notes (as defined below) will not have a stated maturity.

Denomination: Definitive Notes will be in such denominations as may be specified in the relevant Pricing Supplement, save that unless otherwise permitted by then current laws and regulations, Notes which have a maturity of less than one year from the date of issue will have a minimum denomination of £100,000 (or its equivalent in other currencies).

Fixed Rate Notes: Fixed Rate Notes will bear interest which will be payable in arrear on the date or dates in each year specified in the relevant Pricing Supplement.

Floating Rate Notes: Floating Rate Notes will bear interest determined separately for each Series as follows:

- (i) on the same basis as the floating rate under a notional interest rate swap transaction in the relevant Specified Currency governed by an agreement incorporating the 2000 ISDA Definitions, as published by the International Swaps and Derivatives Association, Inc. and as amended and updated as at the issue date of the first Tranche of the Notes of the relevant Series; or
- (ii) by reference to LIBOR, LIBID, LIMEAN or EURIBOR (or such other benchmark as may be specified in the relevant Pricing Supplement) as adjusted for any applicable margin.

Such interest will be payable in arrear on the date or dates in each year specified in the relevant Pricing Supplement.

Interest periods will be specified in the relevant Pricing Supplement.

Zero Coupon Notes: Zero Coupon Notes may be issued at their nominal amount or at a discount to it and will not bear interest.

Dual Currency Notes: Payments (whether in respect of principal or interest and whether at maturity or otherwise) in respect of Dual Currency Notes will be made in such currencies, and based on such rates of exchange as may be specified in the relevant Pricing Supplement.

Index Linked Notes: Payments of principal in respect of Index Linked Redemption Notes or of interest in respect of Index Linked Interest Notes will be calculated by reference to such index and/or formula as may be specified in the relevant Pricing Supplement.

Interest Periods and Interest Rates: The length of the interest periods for the Notes and the applicable interest rate or its method of calculation may differ from time to time or be constant for any Series. Notes may have a maximum interest rate, a minimum interest rate, or both. The use of interest accrual periods permits the Notes to bear interest at different rates in the same interest period. All such information will be set out in the relevant Pricing Supplement.

Redemption: The relevant Pricing Supplement will specify the basis for calculating the redemption amounts payable. Unless otherwise

permitted by then current laws and regulations, Notes which have a maturity of less than one year must have a minimum redemption amount of £100,000 (or its equivalent in other currencies). Redemption of Dated Subordinated Notes prior to their stated maturity is subject to prior written notice to, and the absence of objection from, the FSA as more fully described in “Terms and Conditions of the Subordinated Notes — Redemption, Purchase and Options”. Undated Subordinated Notes have no Final Maturity Date and are only redeemable or repayable in accordance with “Terms and Conditions of the Subordinated Notes — Redemption, Purchase and Options”.

Redemption by Instalments:

The Pricing Supplement issued in respect of each issue of Notes that are redeemable in two or more instalments will set out the dates on which, and the amounts in which, such Notes may be redeemed.

Other Notes:

Terms applicable to high interest Notes, low interest Notes, step-up Notes, step-down Notes, reverse dual currency Notes, optional dual currency Notes, partly paid Notes and any other type of Note that the relevant Issuer may agree with the Trustee and any Dealer or Dealers to issue under the Programme will be set out in the relevant Pricing Supplement.

Optional Redemption:

The Pricing Supplement issued in respect of each issue of Notes will state whether such Notes may be redeemed prior to their stated maturity at the option of the relevant Issuer (either in whole or in part) and/or the holders, and if so the terms applicable to such redemption.

Status of Notes:

Under the Programme, L&GF and L&G may issue unsubordinated Notes (“Senior Notes”) and L&G may also issue dated subordinated Notes (“Dated Subordinated Notes”) or undated subordinated Notes (“Undated Subordinated Notes” and, together with Dated Subordinated Notes, “Subordinated Notes”), in each case in either bearer or registered form as specified in the relevant Pricing Supplement. Senior Notes issued by L&GF will be guaranteed by L&G. Senior Notes and, in the case of Senior Notes issued by L&GF, the guarantee of L&G in respect of them will constitute unsubordinated and unsecured obligations of the relevant Issuer and the Guarantor, respectively, all as described in “Terms and Conditions of the Senior Notes — Status”.

Dated Subordinated Notes will constitute direct, unsecured and (save as to subordination) unconditional obligations of L&G and rank *pari passu* and without any preference among themselves. In the event of the bankruptcy, dissolution or winding up of L&G, the payment obligations of L&G under the Dated Subordinated Notes shall be subordinated to the claims of all creditors of L&G who are (i) unsubordinated creditors of L&G, or (ii) subordinated creditors of L&G other than (x) holders of undated or perpetual subordinated indebtedness of L&G, including holders of the Undated Subordinated Notes and (y) those whose claims rank or are expressed to rank *pari passu* with or junior to the claims of the holders of the Dated Subordinated Notes but shall rank at least *pari passu* with all other subordinated obligations of L&G that are not expressed by their terms to rank junior to the Dated Subordinated

Notes and in priority to all undated or perpetual subordinated obligations of L&G and to the claims of shareholders of L&G.

Undated Subordinated Notes will constitute direct, unsecured and (save as to subordination) unconditional obligations of L&G and rank *pari passu* and without any preference among themselves. In the event of the bankruptcy, dissolution or winding-up of L&G, the payment obligations of L&G under the Undated Subordinated Notes shall be subordinated to the claims of all creditors of L&G who are (i) unsubordinated creditors of L&G or (ii) subordinated creditors of L&G other than those whose claims rank or are expressed to rank *pari passu* with or junior to the claims of the holders of the Undated Subordinated Notes but shall rank at least *pari passu* with all other undated or perpetual obligations of L&G that are not expressed by their terms to rank junior to the Undated Subordinated Notes and in priority to the claims of holders of all classes of share capital of L&G.

All payments in respect of the Undated Subordinated Notes shall be conditional upon L&G being solvent (as described herein) at the time for payment by L&G, and no amount shall be payable in respect of the Undated Subordinated Notes until such time as L&G could make such payment and still be solvent immediately thereafter. In a winding-up of L&G, the amount payable in respect of the Undated Subordinated Notes shall be determined in accordance with the provisions described in “Terms and Conditions of the Subordinated Notes — Status of Undated Subordinated Notes – Amounts payable on Winding-up”.

Negative Pledge:

Applicable to Senior Notes only. See “Terms and Conditions of the Senior Notes — Negative Pledge”.

Cross Default:

Applicable to Senior Notes only. See “Terms and Conditions of the Senior Notes — Events of Default”.

**Early Redemption for Taxation
Reasons and Capital
Disqualification Event:**

Except as provided in “Optional Redemption” above, Notes will be redeemable at the option of the relevant Issuer prior to maturity only for tax reasons and, in the case of Subordinated Notes only, for a Capital Disqualification Event (as defined herein). See “Terms and Conditions of the Senior Notes — Redemption, Purchase and Options” and “Terms and Conditions of the Subordinated Notes — Redemption, Purchase and Options”.

Withholding Tax:

All payments of principal and interest in respect of the Notes will be made without deduction or withholding for or on account of United Kingdom taxes, unless such deduction or withholding is required by law. In the event that any such deduction or withholding is required by law to be made, the relevant Issuer will, save in certain limited circumstances as further described in “Terms and Conditions of the Senior Notes — Taxation” and “Terms and Conditions of the Subordinated Notes — Taxation”, be required to pay additional amounts to cover the amounts so deducted or withheld.

Governing Law:

English.

Listing:

Applications have been made to list Notes issued under the Programme on the Official List and to admit them to trading on the London Stock Exchange or as otherwise specified in the relevant Pricing Supplement. As specified in the relevant Pricing Supplement, a Series of Notes may be unlisted.

Selling Restrictions:

United States, United Kingdom, Japan, the Netherlands and Switzerland. See “Subscription and Sale”.

Each of L&G and L&GF is Category 2 for the purposes of Regulation S under the United States Securities Act of 1933, as amended.

The Notes will be issued in compliance with U.S. Treas. Reg. §1.163-5(c)(2)(i)(D) (the “D Rules”) unless (i) the relevant Pricing Supplement states that Notes are issued in compliance with U.S. Treas. Reg. §1.163-5(c)(2)(i)(C) (the “C Rules”) or (ii) the Notes are issued other than in compliance with the D Rules or the C Rules but in circumstances in which the Notes will not constitute “registration required obligations” under the United States Tax Equity and Fiscal Responsibility Act of 1982 (“TEFRA”), which circumstances will be referred to in the relevant Pricing Supplement as a transaction to which TEFRA is not applicable.

TERMS AND CONDITIONS OF THE SENIOR NOTES

The following is the text of the terms and conditions that, subject to completion and amendment and as supplemented or varied in accordance with the provisions of the relevant Pricing Supplement, shall be applicable to the Notes in definitive form (if any) issued in exchange for the Global Note(s) or Certificate(s) representing each Series of Senior Notes issued by L&GF or L&G. Either (i) the full text of these terms and conditions together with the relevant provisions of the Pricing Supplement or (ii) these terms and conditions as so completed, amended, supplemented or varied (and subject to simplification by the deletion of non-applicable provisions), shall be endorsed on such Bearer Notes or on the Certificates relating to such Registered Notes. All capitalised terms that are not defined in these Conditions will have the meanings given to them in the relevant Pricing Supplement. Those definitions will be endorsed on the definitive Notes or Certificates, as the case may be. References in the Conditions to “Notes” are to the Senior Notes of one Series only, not to all Notes that may be issued under the Programme.

The Notes are constituted by an Amended and Restated Trust Deed (as amended or supplemented as at the date of issue of the Notes (the “Issue Date”), the “Trust Deed”) dated 24 March 2004 between Legal & General Group Plc (“L&G” or, in its capacity as guarantor, the “Guarantor”), Legal & General Finance PLC (“L&GF”), (each an “Issuer” and together the “Issuers”), and The Law Debenture Trust Corporation p.l.c. (the “Trustee”, which expression shall include all persons for the time being the trustee or trustees under the Trust Deed) as trustee for the Noteholders (as defined below). These terms and conditions include summaries of, and are subject to, the detailed provisions of the Trust Deed, which includes the form of the Bearer Notes, Certificates, Receipts, Coupons and Talons referred to below. An Agency Agreement (as amended or supplemented as at the Issue Date, the “Agency Agreement”) dated 8 April 2003 has been entered into in relation to the Notes between L&G, L&GF, the Trustee, Citibank, N.A. as initial issuing and paying agent and the other agents named in it. The issuing and paying agent, the paying agents, the registrar, the transfer agents and the calculation agent(s) for the time being (if any) are referred to below respectively as the “Issuing and Paying Agent”, the “Paying Agents” (which expression shall include the Issuing and Paying Agent), the “Registrar”, the “Transfer Agents” (which expression shall include the Registrar) and the “Calculation Agent(s)”. Copies of the Trust Deed and the Agency Agreement are available for inspection during usual business hours at the principal office of the Trustee (presently at Fifth Floor, 100 Wood Street, London, EC2V 7EX, United Kingdom) and at the specified offices of the Paying Agents and the Transfer Agents.

The Noteholders, the holders of the interest coupons (the “Coupons”) relating to interest bearing Notes in bearer form and, where applicable in the case of such Notes, talons for further Coupons (the “Talons”) (the “Couponholders”) and the holders of the receipts for the payment of instalments of principal (the “Receipts”) relating to Notes in bearer form of which the principal is payable in instalments are entitled to the benefit of, are bound by, and are deemed to have notice of, all the provisions of the Trust Deed and are deemed to have notice of those provisions applicable to them of the Agency Agreement.

1. Form, Denomination and Title

The Notes are issued in bearer form (“Bearer Notes”) or in registered form (“Registered Notes”) in each case in the Specified Denomination(s) shown hereon.

All Registered Notes shall have the same Specified Denomination.

This Note is a Fixed Rate Note, a Floating Rate Note, a Zero Coupon Note, an Index Linked Interest Note, an Index Linked Redemption Note, an Instalment Note, a Dual Currency Note or a Partly Paid Note, a combination of any of the foregoing or any other kind of Note, depending upon the Interest and Redemption/Payment Basis shown hereon.

Bearer Notes are serially numbered and are issued with Coupons (and, where appropriate, a Talon) attached, save in the case of Zero Coupon Notes in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons in these Conditions are not applicable. Instalment Notes are issued with one or more Receipts attached.

Registered Notes are represented by registered certificates (“Certificates”) and, save as provided in Condition 2(b), each Certificate shall represent the entire holding of Registered Notes by the same holder.

Title to the Bearer Notes and the Receipts, Coupons and Talons shall pass by delivery. Title to the Registered Notes shall pass by registration in the register that the Issuer shall procure to be kept by the Registrar in accordance with the provisions of the Agency Agreement (the “Register”). Except as ordered by a court of competent jurisdiction or as required by law, the holder (as defined below) of any Note, Receipt, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes whether or not it is overdue and regardless of any notice of ownership, trust or an interest in it, any writing on it (or on the Certificate representing it) or its theft or loss (or that of the related Certificate) and no person shall be liable for so treating the holder.

In these Conditions, “Noteholder” means the bearer of any Bearer Note and the Receipts relating to it or the person in whose name a Registered Note is registered (as the case may be), “holder” (in relation to a Note, Receipt, Coupon or Talon) means the bearer of any Bearer Note, Receipt, Coupon or Talon or the person in whose name a Registered Note is registered (as the case may be) and capitalised terms have the meanings given to them hereon, the absence of any such meaning indicating that such term is not applicable to the Notes.

2. Transfers of Registered Notes, etc.

(a) *Transfer of Registered Notes*

One or more Registered Notes may be transferred upon the surrender (at the specified office of the Registrar or any Transfer Agent) of the Certificate representing such Registered Notes to be transferred, together with the form of transfer endorsed on such Certificate, (or another form of transfer substantially in the same form and containing the same representations and certifications (if any), unless otherwise agreed by the Issuer), duly completed and executed and any other evidence as the Registrar or Transfer Agent may reasonably require. In the case of a transfer of part only of a holding of Registered Notes represented by one Certificate, a new Certificate shall be issued to the transferee in respect of the part transferred and a further new Certificate in respect of the balance of the holding not transferred shall be issued to the transferor. All transfers of Notes and entries on the Register will be made subject to the detailed regulations concerning transfers of Notes scheduled to the Agency Agreement. The regulations may be changed by the Issuer, with the prior written approval of the Registrar and the Trustee. A copy of the current regulations will be made available by the Registrar to any Noteholder upon request.

(b) *Exercise of Options or Partial Redemption in Respect of Registered Notes*

In the case of an exercise of an Issuer’s or Noteholders’ option in respect of, or a partial redemption of, a holding of Registered Notes represented by a single Certificate, a new Certificate shall be issued to the holder to reflect the exercise of such option or in respect of the balance of the holding not redeemed. In the case of a partial exercise of an option resulting in Registered Notes of the same holding having different terms, separate Certificates shall be issued in respect of those Notes of that holding that have the same terms. New Certificates shall only be issued against surrender of the existing Certificates to the Registrar or any Transfer Agent. In the case of a transfer of Registered Notes to a person who is already a holder of Registered Notes, a new Certificate representing the enlarged holding shall only be issued against surrender of the Certificate representing the existing holding.

(c) *Delivery of New Certificates*

Each new Certificate to be issued pursuant to Conditions 2(a) or (b) shall be available for delivery within three business days of receipt of the form of transfer or Exercise Notice (as defined in Condition 6(e)) and surrender of the Certificate for exchange. Delivery of the new Certificate(s) shall be made at the specified office of the Transfer Agent or of the Registrar (as the case may be) to whom delivery or surrender of such form of transfer, Exercise Notice or Certificate shall have been made or,

at the option of the holder making such delivery or surrender as aforesaid and as specified in the relevant form of transfer, Exercise Notice or otherwise in writing, be mailed by uninsured post at the risk of the holder entitled to the new Certificate to such address as may be so specified, unless such holder requests otherwise and pays in advance to the relevant Transfer Agent the costs of such other method of delivery and/or such insurance as it may specify. In this Condition 2(c), “business day” means a day, other than a Saturday or Sunday, on which banks are open for business in the place of the specified office of the relevant Transfer Agent or the Registrar (as the case may be).

5. Interest and other Calculations

(a) Interest on Fixed Rate Notes

Each Fixed Rate Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date.

If a Fixed Coupon Amount or a Broken Amount is specified hereon, the amount of interest payable on each Interest Payment Date will amount to the Fixed Coupon Amount or, if applicable, the Broken Amount so specified and in the case of the Broken Amount will be payable on the particular Interest Payment Date(s) specified hereon.

(b) *Interest on Floating Rate Notes and Index Linked Interest Notes*

(i) Interest Payment Dates

Each Floating Rate Note and Index Linked Interest Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. Such Interest Payment Date(s) is/are either shown hereon as Specified Interest Payment Dates or, if no Specified Interest Payment Date(s) is/are shown hereon, Interest Payment Date shall mean each date which falls the number of months or other period shown hereon as the Specified Period after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

(ii) Business Day Convention

If any date referred to in these Conditions that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day that is not a Business Day, then, if the Business Day Convention specified is (A) the Floating Rate Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event (x) such date shall be brought forward to the immediately preceding Business Day and (y) each subsequent such date shall be the last Business Day of the month in which such date would have fallen had it not been subject to adjustment, (B) the Following Business Day Convention, such date shall be postponed to the next day that is a Business Day, (C) the Modified Following Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day or (D) the Preceding Business Day Convention, such date shall be brought forward to the immediately preceding Business Day.

(iii) Rate of Interest for Floating Rate Notes

The Rate of Interest in respect of Floating Rate Notes for each Interest Accrual Period shall be determined in the manner specified hereon, and the provisions below relating to either ISDA Determination or Screen Rate Determination shall apply, depending upon which is specified hereon.

(A) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified hereon as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate. For the purposes of this sub-paragraph (A), "ISDA Rate" for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (x) the Floating Rate Option is as specified hereon;
- (y) the Designated Maturity is a period specified hereon; and
- (z) the relevant Reset Date is the first day of that Interest Accrual Period unless otherwise specified hereon.

For the purposes of this sub-paragraph (A), "Floating Rate", "Calculation Agent", "Floating Rate Option", "Designated Maturity", "Reset Date" and "Swap Transaction" have the meanings given to those terms in the ISDA Definitions.

(B) Screen Rate Determination for Floating Rate Notes

Where Screen Rate Determination is specified hereon as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent at or about the Relevant Time on the Interest Determination Date in respect of such Interest Accrual Period in accordance with the following:

(x) if the Primary Source for Floating Rate is a Page, subject as provided below, the Rate of Interest shall be:

(I) the Relevant Rate (where such Relevant Rate on such Page is a composite quotation or is customarily supplied by one entity) or

(II) the arithmetic mean of the Relevant Rates of the persons whose Relevant Rates appear on that Page,

in each case appearing on such Page at the Relevant Time on the Interest Determination Date;

(y) if the Primary Source for the Floating Rate is Reference Banks or if sub-paragraph (x)(I) applies and no Relevant Rate appears on the Page at the Relevant Time on the Interest Determination Date or if sub-paragraph (x)(II) above applies and fewer than two Relevant Rates appear on the Page at the Relevant Time on the Interest Determination Date, subject as provided below, the Rate of Interest shall be the arithmetic mean of the Relevant Rates that each of the Reference Banks is quoting to leading banks in the Relevant Financial Centre at the Relevant Time on the Interest Determination Date, as determined by the Calculation Agent; and

(z) if paragraph (y) above applies and the Calculation Agent determines that fewer than two Reference Banks are so quoting Relevant Rates, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) that the Calculation Agent determines to be the rates (being the nearest equivalent to the Benchmark) in respect of a Representative Amount of the Specified Currency that at least two out of five leading banks selected by the Calculation Agent in the principal financial centre of the country of the Specified Currency or, if the Specified Currency is euro, in the Euro-zone as selected by the Calculation Agent (the "Principal Financial Centre") are quoting at or about the Relevant Time on the date on which such banks would customarily quote such rates for a period commencing on the Effective Date for a period equivalent to the Specified Duration (I) to leading banks carrying on business in Europe, or (if the Calculation Agent determines that fewer than two of such banks are so quoting to leading banks in Europe) (II) to leading banks carrying on business in the Principal Financial Centre; except that, if fewer than two of such banks are so quoting to leading banks in the Principal Financial Centre, the Rate of Interest shall be the Rate of Interest determined on the previous Interest Determination Date (after readjustment for any difference between any Margin, Rate Multiplier or Maximum or Minimum Rate of Interest applicable to the preceding Interest Accrual Period and to the relevant Interest Accrual Period).

(iv) *Rate of Interest for Index Linked Interest Notes*

The Rate of Interest in respect of Index Linked Interest Notes for each Interest Accrual Period shall be determined in the manner specified hereon and interest will accrue by reference to an Index or Formula as specified hereon.

(c) Zero Coupon Notes

Where a Note, the Interest Basis of which is specified to be Zero Coupon, is repayable prior to the Maturity Date and is not paid when due, the amount due and payable prior to the Maturity Date shall be the Early Redemption Amount of such Note. As from the Maturity Date, the Rate of Interest for any overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 6(b)(i)).

(d) Dual Currency Notes

In the case of Dual Currency Notes, if the rate or amount of interest falls to be determined by reference to a Rate of Exchange or a method of calculating a Rate of Exchange, the rate or amount of interest payable shall be determined in the manner specified hereon.

(e) Partly Paid Notes

In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified hereon.

(f) Accrual of Interest

Interest shall cease to accrue on each Note on the due date for redemption unless, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (as well after as before judgment) at the Rate of Interest in the manner provided in this Condition 5 to the Relevant Date (as defined in Condition 8).

(g) Margin, Maximum/Minimum Rates of Interest, Instalment Amounts and Redemption Amounts, Rate Multipliers and Rounding

- (i) If any Margin or Rate Multiplier is specified hereon (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with Condition 5(b) above by adding (if a positive number) or subtracting the absolute value (if a negative number) of such Margin or multiplying by such Rate Multiplier, subject always to the next paragraph.
- (ii) If any Maximum or Minimum Rate of Interest, Instalment Amount or Redemption Amount is specified hereon, then any Rate of Interest, Instalment Amount or Redemption Amount shall be subject to such maximum or minimum, as the case may be.
- (iii) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (y) all figures shall be rounded to seven significant figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes "unit" means the lowest amount of such currency that is available as legal tender in the country(ies) of such currency.

(h) Calculations

The amount of interest payable in respect of any Note for any period shall be calculated by multiplying the product of the Rate of Interest and the outstanding nominal amount of such Note by the Day Count Fraction, unless an Interest Amount (or a formula for its calculation) is specified in respect of such period, in which case the amount of interest payable in respect of such Note for such period shall equal such Interest Amount (or be calculated in accordance with such formula). Where

any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period shall be the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods.

(i) *Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts and Instalment Amounts*

As soon as practicable after the Relevant Time on each Interest Determination Date or such other time on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, it shall determine such rate and calculate the Interest Amounts in respect of each Specified Denomination of the Notes for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or Instalment Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or any Instalment Amount to be notified to the Trustee, the Issuer, each of the Paying Agents, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed on a stock exchange and the rules of such exchange or other relevant authority so require, such exchange or other relevant authority as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such exchange of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 5(b)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made with the consent of the Trustee by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the Notes become due and payable under Condition 10, the accrued interest and the Rate of Interest payable in respect of the Notes shall nevertheless continue to be calculated as previously in accordance with this Condition but no publication of the Rate of Interest or the Interest Amount so calculated need be made unless the Trustee otherwise requires. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

(j) *Determination or Calculation by Trustee*

If the Calculation Agent does not at any time for any reason determine or calculate the Rate of Interest for an Interest Period or any Interest Amount, Instalment Amount, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, the Trustee shall do so (or shall appoint an agent on its behalf to do so) and such determination or calculation shall be deemed to have been made by the Calculation Agent. In doing so, the Trustee shall apply the foregoing provisions of this Condition, with any necessary consequential amendments, to the extent that, in its opinion, it can do so, and, in all other respects it shall do so in such manner as it shall deem fair and reasonable in all the circumstances.

(a) Redemption by Instalments and Final Redemption

- (i) Unless previously redeemed, purchased and cancelled as provided in this Condition 6 or the relevant Instalment Date (being one of the dates so specified hereon) is extended pursuant to any Issuer's or Noteholder's option in accordance with Condition 6(d) or 6(e), each Note that provides for Instalment Dates and Instalment Amounts shall be partially redeemed on each Instalment Date at the related Instalment Amount specified hereon. The outstanding nominal amount of each such Note shall be reduced by the Instalment Amount (or, if such Instalment Amount is calculated by reference to a proportion of the nominal amount of such Note, such proportion) for all purposes with effect from the related Instalment Date, unless payment of the Instalment Amount is improperly withheld or refused on presentation of the related Receipt, in which case, such amount shall remain outstanding until the Relevant Date relating to such Instalment Amount.
- (ii) Unless previously redeemed, purchased and cancelled as provided below or its maturity is extended pursuant to any Issuer's or Noteholder's option in accordance with Condition 6(d) or 6(e), each Note shall be finally redeemed on the Maturity Date specified hereon at its Final Redemption Amount (which, unless otherwise provided hereon, is its nominal amount) or, in the case of a Note falling within paragraph (i) above, its final Instalment Amount.

(b) Early Redemption

- (i) Zero Coupon Notes
 - (A) The Early Redemption Amount payable in respect of any Zero Coupon Note, the Early Redemption Amount of which is not linked to an index and/or a formula, upon redemption of such Note pursuant to Condition 6(c) or upon it becoming due and payable as provided in Condition 10 shall be the Amortised Face Amount (calculated as provided below) of such Note unless otherwise specified hereon.
 - (B) Subject to the provisions of sub-paragraph (C) below, the Amortised Face Amount of any such Note shall be the scheduled Final Redemption Amount of such Note on the Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the Amortisation Yield (which, if none is shown hereon, shall be such rate as would produce an Amortised Face Amount equal to the issue price of the Notes if they were discounted back to their issue price on the Issue Date) compounded annually.
 - (C) If the Early Redemption Amount payable in respect of any such Note upon its redemption pursuant to Condition 6(c) or upon it becoming due and payable as provided in Condition 10 is not paid when due, the Early Redemption Amount due and payable in respect of such Note shall be the Amortised Face Amount of such Note as defined in sub-paragraph (B) above, except that such sub-paragraph shall have effect as though the date on which the Note becomes due and payable were the Relevant Date. The calculation of the Amortised Face Amount in accordance with this sub-paragraph shall continue to be made (as well after as before judgment) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note on the Maturity Date together with any interest that may accrue in accordance with Condition 5(c).

Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction shown hereon.

and payable as provided in Condition 10, shall be the Final Redemption Amount unless otherwise specified hereon.

If the Issuer determines that immediately before the giving of the notice referred to below [either

- (i)¹ on the occasion of the next payment due in respect of the Notes, the Issuer would be required to pay additional amounts as provided or referred to in Condition 8[; or
- (ii) the Guarantor would be unable for reasons outside its control to procure payment by the Issuer and in making payments itself would be required to pay such additional amounts],¹

the Issuer may, at its option, having given not less than 30 or more than 60 days' notice (a "Tax Redemption Notice") to the Issuing and Paying Agent, the Trustee and, if required in accordance with Condition 16, the holders of Registered Notes (which notice shall be irrevocable) redeem all, but not some only, of the Notes at any time and at their Early Redemption Amount (as described in Condition 6(b) above) together with interest accrued to (but excluding) the date of redemption.

Prior to the publication of any Tax Redemption Notice, the Issuer shall deliver to the Trustee (1) a certificate signed by two directors of that Issuer stating that that Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the Issuer [or, as the case may be, the Guarantor]¹ has become, is or would be so required to pay additional amounts, and (2) an opinion in form and substance reasonably satisfactory to the Trustee of independent legal advisers of recognised standing to that effect. The Trustee shall, without enquiring and without any liability therefor, accept such certificate as sufficient evidence of the satisfaction of the circumstances set out above and it shall be conclusive and binding on the Noteholders and the Couponholders.

(d) *Redemption at the Option of the Issuer and Exercise of Issuer's Options*

If Call Option is specified hereon, the Issuer may, on giving not less than 15 nor more than 30 days' irrevocable notice to the Noteholders (or such other notice period as may be specified hereon) redeem, or exercise any Issuer's option (as may be described hereon) in relation to, all or, if so provided, some of the Notes on any Optional Redemption Date or Option Exercise Date, as the case may be. Any such redemption of Notes shall be at their Optional Redemption Amount together with interest accrued to the date fixed for redemption. Any such redemption or exercise must relate to Notes of a nominal amount at least equal to the minimum nominal amount to be redeemed specified hereon and no greater than the maximum nominal amount to be redeemed specified hereon.

All Notes in respect of which any such notice is given shall be redeemed, or the Issuer's option shall be exercised, on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption or a partial exercise of an Issuer's option, the notice to Noteholders shall also contain the certificate numbers of the Notes to be redeemed or in respect of which such option has been exercised, which shall have been drawn in such place as the Trustee may approve and in such manner as it deems appropriate, subject to compliance with any applicable laws and stock exchange or other relevant authority requirements.

(e) *Redemption at the Option of Noteholders and Exercise of Noteholders' Options*

If Put Option is specified hereon, the Issuer shall, at the option of the holder of any such Note, upon the holder of such Note giving not less than 15 nor more than 30 days' notice to the Issuer (or such other notice period as may be specified hereon) redeem such Note on the Optional Redemption Date(s) at its Optional Redemption Amount together with interest accrued to the date fixed for redemption.

¹ Square bracketed text to appear on Senior Notes issued by L&GF and guaranteed by L&G.

To exercise such option or any other Noteholders' option that may be set out hereon (which must be exercised on an Option Exercise Date) the holder must deposit (in the case of Bearer Notes) such Note (together with all unmaturing Receipts and Coupons and unexchanged Talons) with any Paying Agent or (in the case of Registered Notes) the Certificate representing such Note(s) with the Registrar or any Transfer Agent at its specified office, together with a duly completed option exercise notice ("Exercise Notice") in the form obtainable from any Paying Agent, the Registrar or any Transfer Agent (as applicable) within the notice period. No Note or Certificate so deposited and option exercised may be withdrawn (except as provided in the Agency Agreement) without the prior consent of the Issuer.

(f) Partly Paid Notes

Partly Paid Notes will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition and the provisions specified hereon.

(g) Purchases

[The Issuer, the Guarantor and any of their Subsidiaries (as defined in Condition 10)]¹ [The Issuer and any of its Subsidiaries (as defined in Condition 10)]² may at any time purchase Notes (provided that all unmaturing Receipts and Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise at any price.

(h) Cancellation

All Notes purchased by or on behalf of [the Issuer, the Guarantor or any of their Subsidiaries]¹ [The Issuer or any of its Subsidiaries]² may be surrendered for cancellation, in the case of Bearer Notes, by surrendering each such Note together with all unmaturing Receipts and Coupons and all unexchanged Talons to the Issuing and Paying Agent and, in the case of Registered Notes, by surrendering the Certificate representing such Notes to the Registrar and, in each case, if so surrendered, shall, together with all Notes redeemed by the Issuer, be cancelled forthwith (together with all unmaturing Receipts and Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Notes so surrendered for cancellation may not be reissued or resold and the obligations of the Issuer [and the Guarantor]¹ in respect of any such Notes shall be discharged.

7. Payments and Talons

(a) Bearer Notes

Payments of principal and interest in respect of Bearer Notes shall, subject as mentioned below, be made against presentation and surrender of the relevant Receipts (in the case of payments of Instalment Amounts other than on the due date for redemption and provided that the Receipt is presented for payment together with its relative Note), Notes (in the case of all other payments of principal and, in the case of interest, as specified in Condition 7(f)(vi)) or Coupons (in the case of interest, save as specified in Condition 7(f)(ii)), as the case may be, at the specified office of any Paying Agent outside the United States by a cheque payable in the relevant currency drawn on, or, at the option of the holder, by transfer to an account denominated in such currency with, a Bank. "Bank" means a bank in the principal financial centre for such currency or, in the case of euro, in a city in which banks have access to the TARGET System.

(b) Registered Notes

(i) Payments of principal (which for the purposes of this Condition 7(b) shall include final Instalment Amounts but not other Instalment Amounts) in respect of Registered Notes shall be made against presentation and surrender of the relevant Certificates at the specified office of

¹ Square bracketed text to appear on Senior Notes issued by L&GF and guaranteed by L&G.

² Square bracketed text to appear on Senior Notes issued by L&G.

any of the Transfer Agents or of the Registrar and in the manner provided in paragraph (ii) below.

- (ii) Interest (which for the purpose of this Condition 7(b) shall include all Instalment Amounts other than final Instalment Amounts) on Registered Notes shall be paid to the person shown on the Register at the close of business on the fifteenth day before the due date for payment thereof (the "Record Date"). Payments of interest on each Registered Note shall be made in the relevant currency by cheque drawn on a Bank and mailed to the holder (or to the first named of joint holders) of such Note at its address appearing in the Register. Upon application by the holder to the specified office of the Registrar or any Transfer Agent before the Record Date, such payment of interest may be made by transfer to an account in the relevant currency maintained by the payee with a Bank.

(c) *Payments in the United States*

Notwithstanding the foregoing, if any Bearer Notes are denominated in U.S. dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.

(d) *Subject to Fiscal Laws*

All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives, but without prejudice to the provisions of Condition 8. No commission or expenses shall be charged to the Noteholders or Couponholders in respect of such payments.

(e) *Appointment of Agents*

The Issuing and Paying Agent, the Paying Agents, the Registrar, the Transfer Agents and the Calculation Agent initially appointed by the Issuer [and the Guarantor]¹ and their respective specified offices are listed below. The Issuing and Paying Agent, the Paying Agents, the Registrar, the Transfer Agents and the Calculation Agent act solely as agents of the Issuer [and the Guarantor]¹ and do not assume any obligation or relationship of agency or trust for or with any Noteholder or Couponholder. The Issuer [and the Guarantor]¹ reserve the right at any time with the approval of the Trustee to vary or terminate the appointment of the Issuing and Paying Agent, any other Paying Agent, the Registrar, any Transfer Agent or the Calculation Agent(s) and to appoint additional or other Paying Agents or Transfer Agents, provided that the Issuer shall at all times maintain (i) an Issuing and Paying Agent, (ii) a Registrar in relation to Registered Notes, (iii) a Transfer Agent in relation to Registered Notes, (iv) one or more Calculation Agent(s) where the Conditions so require, (v) Paying Agents having specified offices in London so long as the Notes are listed on the official list of the Financial Services Authority in its capacity as competent authority under the Financial Services and Markets Act 2000 and admitted to trading on the London Stock Exchange's market for listed securities, (vi) insofar as the Issuer [or the Guarantor]¹ would be obliged to pay additional amounts pursuant to Condition 8 upon presentation of the Note or the Coupon, as the case may be, for payment in the United Kingdom but for the application of Condition 8(f), a Paying Agent having a specified office in a European Union member state that will not be obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC or any other European Union Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive (to the extent

¹ Square bracketed text to appear on Senior Notes issued by L&GF and guaranteed by L&G.

that at least one such member state does not require a Paying Agent with an office in that member state to so withhold or deduct amounts for or on account of tax, whether pursuant to such Directive, under the law of that member state or otherwise).

In addition, the Issuer [and the Guarantor]¹ shall forthwith appoint a Paying Agent in New York City in respect of any Bearer Notes denominated in U.S. dollars in the circumstances described in Condition 7(c).

Notice of any such change or any change of any specified office shall promptly be given to the Noteholders.

(f) *Unmatured Coupons and Receipts and unexchanged Talons*

- (i) Unless the Notes provide that the relative Coupons are to become void upon the due date for redemption of those Notes, Bearer Notes should be surrendered for payment together with all unmaturing Coupons (if any) relating thereto, failing which an amount equal to the face value of each missing unmaturing Coupon (or, in the case of payment not being made in full, that proportion of the amount of such missing unmaturing Coupon that the sum of principal so paid bears to the total principal due) shall be deducted from the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, due for payment. Any amount so deducted shall be paid in the manner mentioned above against surrender of such missing Coupon within a period of 10 years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 9).
- (ii) If the Notes so provide, upon the due date for redemption of any Bearer Note, unmaturing Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.
- (ii) Upon the due date for redemption of any Bearer Note, any unexchanged Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.
- (iv) Upon the due date for redemption of any Bearer Note that is redeemable in instalments, all Receipts relating to such Note having an Instalment Date falling on or after such due date (whether or not attached) shall become void and no payment shall be made in respect of them.
- (v) Where any Bearer Note that provides that the relative unmaturing Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unmaturing Coupons, and where any Bearer Note is presented for redemption without any unexchanged Talon relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require.
- (vi) If the due date for redemption of any Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, shall only be payable against presentation (and surrender if appropriate) of the relevant Bearer Note or Certificate representing it, as the case may be. Interest accrued on a Note that only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation of the relevant Note or Certificate representing it, as the case may be.

(g) *Talons*

On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Bearer Note, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Issuing and Paying Agent in exchange for a further Coupon sheet (and if

¹ Square bracketed text to appear on Senior Notes issued by L&GF and guaranteed by L&G.

necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 9).

(h) *Non-Business Days*

If any date for payment in respect of any Note, Receipt or Coupon is not a business day, the holder shall not be entitled to payment until the next following business day nor to any interest or other sum in respect of such postponed payment. In this paragraph, “business day” means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in the relevant place of presentation, in such jurisdictions as shall be specified as “Additional Financial Centres” hereon and:

- (i) (in the case of a payment in a currency other than euro) where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency or
- (ii) (in the case of a payment in euro) which is a TARGET Business Day.

8. Taxation

All payments of principal and interest by or on behalf of the Issuer [or the Guarantor]¹ in respect of the Notes, the Receipts and the Coupons [or under the Guarantee]¹ shall be made without withholding or deduction for or on account of any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within the United Kingdom or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law. In that event, the Issuer [or, as the case may be, the Guarantor]¹ shall pay such additional amounts as shall result in receipt by the Noteholders and Couponholders of such amounts as would have been received by them had no such withholding or deduction been required by law to be made, except that no such additional amounts shall be payable with respect to any Note, Receipt or Coupon:

(a) *Other connection*

presented for payment by or on behalf of, a holder who is liable to such taxes, duties, assessments or governmental charges in respect of such Note, Receipt or Coupon by reason of his having some connection with the United Kingdom other than the mere holding of the Note, Receipt or Coupon or

(b) *Lawful avoidance of withholding*

presented for payment by or on behalf of, a holder who could lawfully avoid (but has not so avoided) such deduction or withholding by complying or procuring that any third party complies with any statutory requirements or by making or procuring that any third party makes a declaration of non-residence or other similar claim for exemption to any tax authority in the place where the relevant Note (or the Certificate representing it), Receipt or Coupon is presented for payment or

(c) *Presentation more than 30 days after the Relevant Date*

presented (or in respect of which the Certificate representing it is presented) for payment more than 30 days after the Relevant Date (as defined below) except to the extent that the holder of it would have been entitled to such additional amounts on presenting it for payment on the thirtieth day or

(d) *Payment to individuals*

where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any other European Union Directive

¹ Square bracketed text to appear on Senior Notes issued by L&GF and guaranteed by L&G.

implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive or

(e) *Payment by another Paying Agent*

(except in the case of the payment of interest in respect of Registered Notes) presented for payment by or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting the relevant Note, Receipt or Coupon to another Paying Agent (or, in the case of the payment of principal in respect of Registered Notes, another Transfer Agent or, if applicable, the Registrar) in a Member State of the European Union or

(f) *Presentation for Payment in the United Kingdom*

presented for payment in the United Kingdom or

(g) *Any combination*

where the requirement to withhold or deduct which gives rise to the obligation to pay additional amounts arises out of any combination of (a) to (f) above.

As used in these Conditions, “Relevant Date” in respect of any Note, Receipt or Coupon means the date on which payment in respect of it first becomes due or (if any amount of the money payable is improperly withheld or refused) the date on which payment in full of the amount outstanding is made or (if earlier) the date seven days after that on which notice is duly given to the Noteholders that, upon further presentation of the Note (or relative Certificate), Receipt or Coupon being made in accordance with the Conditions, such payment will be made, provided that payment is in fact made upon such presentation. References in these Conditions to (i) “principal” shall be deemed to include any premium payable in respect of the Notes, all Instalment Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts, Amortised Face Amounts and all other amounts in the nature of principal payable pursuant to Condition 6 or any amendment or supplement to it, (ii) “interest” shall be deemed to include all Interest Amounts and all other amounts payable pursuant to Condition 5 or any amendment or supplement to it and (iii) “principal” and/or “interest” shall be deemed to include any additional amounts that may be payable under this Condition or any undertaking given in addition to or in substitution for it under the Trust Deed.

9. Prescription

Claims against the Issuer [and/or the Guarantor]¹ for payment in respect of the Notes, Receipts and Coupons (which, for this purpose, shall not include Talons) shall be prescribed and become void unless made within 10 years (in the case of principal) or five years (in the case of interest) from the appropriate Relevant Date in respect of them.

In the case of such a substitution the Trustee may agree, without the consent of the Noteholders or the Couponholders, to a change of the law governing the Notes, the Receipts, the Coupons, the Talons and/or the Trust Deed provided that such change would not in the opinion of the Trustee be materially prejudicial to the interests of the Noteholders. Any such substitution shall be binding on the Noteholders and the Couponholders.

(d) **Entitlement of the Trustee**

In connection with the exercise of its functions (including but not limited to those referred to in this Condition) the Trustee shall have regard to the interests of the Noteholders as a class and shall not have regard to the consequences of such exercise for individual Noteholders or Couponholders and the Trustee shall not be entitled to require, nor shall any Noteholder or Couponholder be entitled to claim, from the Issuer [or the Guarantor]¹ any indemnification or payment in respect of any tax consequence of any such exercise upon individual Noteholders or Couponholders.

No Noteholder, Receiptholder or Couponholder may proceed directly against the Issuer [or the Guarantor]¹ unless the Trustee, having become bound so to proceed, fails to do so within a reasonable time and such failure is continuing.

13. Indemnification of the Trustee

If a Note, Certificate, Receipt, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and stock exchange or other relevant authority regulations, at the specified office of the Issuing and Paying Agent (in the case of Bearer Notes, Receipts, Coupons or Talons) and of the Registrar (in the case of Certificates) or such other Paying Agent or Transfer Agent, as the case may be, as may from time to time be designated by the Issuer for the purpose and notice of whose designation is given to Noteholders, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, *inter alia*, that if the allegedly lost, stolen or destroyed Note, Certificate, Receipt, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Notes, Certificates, Receipts, Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced Notes, Certificates, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

References in these Conditions to the Notes include (unless the context requires otherwise) any other securities issued pursuant to this Condition and forming a single series with the Notes. Any further securities forming a single series with the outstanding securities of any series (including the Notes) constituted by the Trust Deed or any deed supplemental to it shall, and any other securities may (with the consent of the Trustee), be constituted by the Trust Deed. The Trust Deed contains provisions for convening a single meeting of the Noteholders and the holders of securities of other series where the Trustee so decides.

Notices to the holders of Bearer Notes shall be valid if published in a daily newspaper of general circulation in London (which is expected to be the *Financial Times*). If in the opinion of the Trustee any such publication is not practicable, notice shall be validly given if published in another leading daily English language newspaper with general circulation in Europe. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the first date on which publication is made, as provided above.

TERMS AND CONDITIONS OF THE SUBORDINATED NOTES

The following is the text of the terms and conditions that, subject to completion and amendment and as supplemented or varied in accordance with rite provisions of the relevant Pricing Supplement, shall be applicable to rite Notes in definitive form (if any) issued in exchange for the Global Note(s) or Certificate(s) representing each Series of Subordinated Notes issued by L&G. Either (i) the full text of these terms and conditions together with the relevant provisions of the Pricing Supplement or (ii) these terms and conditions as so completed, amended, supplemented or varied (and subject to simplification by the deletion of non-applicable provisions), shall be endorsed on such Bearer Notes or on the Certificates relating to such Registered Notes. All capitalised terms that are not defined in these Conditions will have the meanings given to them in the relevant Pricing Supplement. Those definitions will be endorsed on the definitive Notes or Certificates, as the case may be. References in the Conditions to “Notes” are to the Subordinated Notes of one Series only, not to all Notes that may be issued under the Programme.

The Notes are constituted by an Amended and Restated Trust Deed (as amended or supplemented as at the date of issue of the Notes (the “Issue Date”), the “Trust Deed”) dated 24 March 2004 between Legal & General Group Plc (“L&G” or the “Issuer”), Legal & General Finance PLC (“L&GF”) and The Law Debenture Trust Corporation p.l.c. (the “Trustee”, which expression shall include all persons for the time being the trustee or trustees under the Trust Deed) as trustee for the Noteholders (as defined below). These terms and conditions include summaries of, and are subject to, the detailed provisions of the Trust Deed, which includes the form of the Bearer Notes, Certificates, Receipts, Coupons and Talons referred to below. An Agency Agreement (as amended or supplemented as at the Issue Date, the “Agency Agreement”) dated 8 April 2003 has been entered into in relation to the Notes between L&G, L&GF, the Trustee, Citibank, N.A. as initial issuing and paying agent and the other agents named in it. The issuing and paying agent, the paying agents, the registrar, the transfer agents and the calculation agent(s) for the time being (if any) are referred to below respectively as the “Issuing and Paying Agent”, the “Paying Agents” (which expression shall include the Issuing and Paying Agent), the “Registrar”, the “Transfer Agents” (which expression shall include the Registrar) and the “Calculation Agent(s)”. Copies of the Trust Deed and the Agency Agreement are available for inspection during usual business hours at the principal office of the Trustee (presently at Fifth Floor, 100 Wood Street, London EC2V 7EX, United Kingdom) and at the specified offices of the Paying Agents and the Transfer Agents.

The Noteholders, the holders of the interest coupons (the “Coupons”) relating to interest bearing Notes in bearer form and, where applicable in the case of such Notes, talons for further Coupons (the “Talons”) (the “Couponholders”) and the holders of the receipts for the payment of instalments of principal (the “Receipts”) relating to Notes in bearer form of which the principal is payable in instalments are entitled to the benefit of, are bound by, and are deemed to have notice of, all the provisions of the Trust Deed and are deemed to have notice of those provisions applicable to them of the Agency Agreement.

1. Form, Denomination and Title

The Notes are issued in bearer form (“Bearer Notes”) or in registered form (“Registered Notes”) in each case in the Specified Denomination(s) shown hereon.

All Registered Notes shall have the same Specified Denomination.

This Note is a Fixed Rate Note, a Floating Rate Note, a Zero Coupon Note, an Index Linked Interest Note, an Index Linked Redemption Note, an Instalment Note, a Dual Currency Note or a Partly Paid Note, a combination of any of the foregoing or any other kind of Note, depending upon the Interest and Redemption/Payment Basis shown hereon.

Bearer Notes are serially numbered and are issued with Coupons (and, where appropriate, a Talon) attached, save in the case of Zero Coupon Notes in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons in these Conditions are not applicable. Instalment Notes are issued with one or more Receipts attached.

Registered Notes are represented by registered certificates (“Certificates”) and, save as provided in Condition 2(b), each Certificate shall represent the entire holding of Registered Notes by the same holder.

Title to the Bearer Notes and the Receipts, Coupons and Talons shall pass by delivery. Title to the Registered Notes shall pass by registration in the register that the Issuer shall procure to be kept by the Registrar in accordance with the provisions of the Agency Agreement (the “Register”). Except as ordered by a court of competent jurisdiction or as required by law, the holder (as defined below) of any Note, Receipt, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes whether or not it is overdue and regardless of any notice of ownership, trust or an interest in it, any writing on it (or on the Certificate representing it) or its theft or loss (or that of the related Certificate) and no person shall be liable for so treating the holder.

In these Conditions, “Noteholder” means the bearer of any Bearer Note and the Receipts relating to it or the person in whose name a Registered Note is registered (as the case may be), “holder” (in relation to a Note, Receipt, Coupon or Talon) means the bearer of any Bearer Note, Receipt, Coupon or Talon or the person in whose name a Registered Note is registered (as the case may be) and capitalised terms have the meanings given to them hereon, the absence of any such meaning indicating that such term is not applicable to the Notes.

2. Transfers of Registered Notes

(a) *Transfer of Registered Notes*

One or more Registered Notes may be transferred upon the surrender (at the specified office of the Registrar or any Transfer Agent) of the Certificate representing such Registered Notes to be transferred, together with the form of transfer endorsed on such Certificate, (or another form of transfer substantially in the same form and containing the same representations and certifications (if any), unless otherwise agreed by the Issuer), duly completed and executed and any other evidence as the Registrar or Transfer Agent may reasonably require. In the case of a transfer of part only of a holding of Registered Notes represented by one Certificate, a new Certificate shall be issued to the transferee in respect of the part transferred and a further new Certificate in respect of the balance of the holding not transferred shall be issued to the transferor. All transfers of Notes and entries on the Register will be made subject to the detailed regulations concerning transfers of Notes scheduled to the Agency Agreement. The regulations may be changed by the Issuer, with the prior written approval of the Registrar and the Trustee. A copy of the current regulations will be made available by the Registrar to any Noteholder upon request.

(b) *Exercise of Options or Partial Redemption in Respect of Registered Notes*

In the case of an exercise of an Issuer’s or Noteholders’ option in respect of, or a partial redemption of, a holding of Registered Notes represented by a single Certificate, a new Certificate shall be issued to the holder to reflect the exercise of such option or in respect of the balance of the holding not redeemed. In the case of a partial exercise of an option resulting in Registered Notes of the same holding having different terms, separate Certificates shall be issued in respect of those Notes of that holding that have the same terms. New Certificates shall only be issued against surrender of the existing Certificates to the Registrar or any Transfer Agent. In the case of a transfer of Registered Notes to a person who is already a holder of Registered Notes, a new Certificate representing the enlarged holding shall only be issued against surrender of the Certificate representing the existing holding.

(c) *Delivery of New Certificates*

Each new Certificate to be issued pursuant to Conditions 2(a) or (b) shall be available for delivery within three business days of receipt of the form of transfer and surrender of the Certificate for exchange. Delivery of the new Certificate(s) shall be made at the specified office of the Transfer Agent or of the Registrar (as the case may be) to whom delivery or surrender of such form of transfer, Exercise Notice or Certificate shall have been made or, at the option of the holder making such delivery or surrender as aforesaid and as specified in the relevant form of transfer, Exercise Notice or otherwise in writing, be mailed by uninsured post at the risk of the holder entitled to the new

Certificate to such address as may be so specified, unless such holder requests otherwise and pays in advance to the relevant Transfer Agent the costs of such other method of delivery and/or such insurance as it may specify. In this Condition 2(c), “business day” means a day, other than a Saturday or Sunday, on which banks are open for business in the place of the specified office of the relevant Transfer Agent or the Registrar (as the case may be).

(d) *Transfer Free of Charge*

Transfer of Notes and Certificates on registration, transfer, exercise of an option or partial redemption shall be effected without charge by or on behalf of the Issuer, the Registrar or the Transfer Agents, but upon payment of any tax or other governmental charges by the person submitting such Notes or Certificates that may be imposed in relation to it (or the giving of such indemnity as the Registrar or the relevant Transfer Agent may require).

(e) *Closed Periods*

No Noteholder may require the transfer of a Registered Note to be registered (i) during the period of 15 days ending on the due date for redemption of, or payment of any Instalment Amount in respect of, that Note. (ii) during the period of 15 days prior to any date on which Notes may be called for redemption by the Issuer at its option pursuant to Condition 6(d), (iii) after any such Note has been called for redemption or (iv) during the period of seven days ending on (and including) any Record Date.

3. Status

(a) *Status of Dated Subordinated Notes*

The Dated Subordinated Notes (being those Notes that specify their status as Dated Subordinated) and the Receipts and Coupons relating to them constitute direct, unsecured and (save as to subordination) unconditional obligations of the Issuer and rank *pari passu* and without any preference among themselves. In the event of the bankruptcy, dissolution or winding-up of the Issuer, the payment obligations of the Issuer under the Dated Subordinated Notes and the Receipts and Coupons relating to them shall be subordinated in the manner provided in the Trust Deed to the claims of all Senior Creditors (as defined in this Condition 3(a)) of the Issuer but shall rank at least *pari passu* with all other subordinated obligations of the Issuer that are not expressed by their terms to rank junior to the Dated Subordinated Notes and in priority to all undated or perpetual subordinated obligations of the Issuer and to the claims of shareholders of the Issuer.

As used in this Condition 3(a), “Senior Creditors” means all creditors of the Issuer who are (i) unsubordinated creditors of the Issuer, or (ii) subordinated creditors of the Issuer other than (x) holders of undated or perpetual subordinated indebtedness of the Issuer, including holders of the Undated Subordinated Notes and (y) those whose claims rank or are expressed to rank *pari passu* with or junior to the claims of the holders of the Dated Subordinated Notes.

(b) *Status of Undated Subordinated Notes*

(i) *General*

In the event of the bankruptcy, dissolution or winding-up of the Issuer, the payment obligations of the Issuer under the Undated Subordinated Notes and the Receipts and Coupons relating to them shall be subordinated in the manner provided in the Trust Deed to the claims of all Senior Creditors (as defined in this Condition 3(b)) of the Issuer but shall rank at least *pari passu* with all other undated or perpetual obligations of the Issuer that are not expressed by their terms to rank junior to the Undated

Subordinated Notes and in priority to the claims of holders of all classes of share capital of the Issuer.

All payments in respect of the Undated Subordinated Notes and the Receipts and Coupons relating to them shall be conditional upon the Issuer being solvent at the time for payment by the Issuer, and no amount shall be payable in respect of the Undated Subordinated Notes and the Receipts and Coupons relating to them unless and until such time as the Issuer could make such payment and still be solvent immediately thereafter. For the purposes of this Condition 3(b), the Issuer shall be solvent if (i) it is able to pay its debts owed to Senior Creditors as they fall due and (ii) its Assets exceed its Liabilities (other than its Liabilities to persons who are not Senior Creditors). A report as to the solvency of the Issuer by two directors of the Issuer shall, in the absence of manifest error, be treated and accepted by the Issuer, the Trustee, the holders of the Undated Subordinated Notes and the Receipts and Coupons relating to them and all other interested parties as correct and sufficient evidence thereof. In a winding-up of the Issuer, the amount payable in respect of the Undated Subordinated Notes and the Receipts and Coupons relating to them shall be determined in accordance with the provisions described below.

(ii) *Amounts payable on Winding-up*

If at any time an order is made or an effective resolution is passed for the winding-up of the Issuer (except in any such case a solvent winding-up solely for the purposes of a reconstruction or amalgamation or the substitution in place of the Issuer of a successor in business, the terms of which reconstruction or amalgamation or substitution (i) have previously been approved in writing by the Trustee or by an Extraordinary Resolution (as defined in the Trust Deed) of the Noteholders and (ii) do not provide that the Notes shall thereby become payable), there shall be payable on each Undated Subordinated Note (in lieu of any other payment, but subject as provided in this Condition 3) such amount, if any, as would have been payable to the holder thereof if, on the date prior to the commencement of the winding-up and thereafter, such holder were the holder of a preference share in the capital of the Issuer having a preferential right to a return of assets in the winding-up over the holders of all issued shares for the time being in the capital of the Issuer on the assumption that such preference share was entitled to receive on a return of assets in such winding-up an amount equal to the principal amount of such Undated Subordinated Note, together with Arrears of Interest (as defined below), if any, and any interest (other than Arrears of Interest) which has accrued up to, but excluding, the date of repayment (as provided in the Trust Deed) in respect thereof.

As used above:

“Assets” means the unconsolidated gross assets of the Issuer, as shown in the latest published audited balance sheet of the Issuer, but adjusted for subsequent events, all in such manner as the directors of the Issuer may determine.

“Liabilities” means the unconsolidated gross liabilities of the Issuer, as shown in the latest published audited balance sheet of the Issuer, but adjusted for contingent liabilities and for subsequent events, all in such manner as the directors of the Issuer may determine.

(c) *Set-off, etc.*

Subject to applicable law, no Noteholder may exercise or claim any right of set-off in respect of any amount owed to it by the Issuer arising under or in connection with the Notes and each Noteholder shall, by virtue of being the holder of any Note, be deemed to have waived all such rights of set-off. Notwithstanding the preceding sentence, if any of the amounts owing to any Noteholder by the Issuer

under or in connection with the Notes is discharged by set-off, such Noteholder shall immediately pay an amount equal to the amount of such discharge to the Issuer or, in the event of its winding-up, the liquidator of the Issuer and, until such time as payment is made, shall hold an amount equal to such amount in trust for the Issuer, or the liquidator of the Issuer, and accordingly any such discharge shall be deemed not to have taken place.

As used in this Condition 3, the expression “obligations” includes any direct or indirect obligations of the Issuer and whether by way of guarantee, indemnity, other contractual support arrangement or otherwise and regardless of name or designation.

4. Interest and other Calculations

(a) Interest on Fixed Rate Notes

Subject to Condition 5, each Fixed Rate Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. If a Fixed Coupon Amount or a Broken Amount is specified hereon, the amount of interest payable on each Interest Payment Date will amount to the Fixed Coupon Amount or, if applicable, the Broken Amount so specified and in the case of the Broken Amount will, subject to Condition 5, be payable on the particular Interest Payment Date(s) specified hereon.

(b) Interest on Floating Rate Notes and Index Linked Interest Notes

(i) Interest Payment Dates

Subject to Condition 5, each Floating Rate Note and Index Linked Interest Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. Such Interest Payment Date(s) is/are either shown hereon as Specified Interest Payment Dates or, if no Specified Interest Payment Date(s) is/are shown hereon, Interest Payment Date shall mean each date which falls the number of months or other period shown hereon as the Specified Period after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

(ii) Business Day Convention

If any date referred to in these Conditions that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day that is not a Business Day, then, if the Business Day Convention specified is (A) the Floating Rate Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event (x) such date shall be brought forward to the immediately preceding Business Day and (y) each such subsequent date shall be the last Business Day of the month in which such date would have fallen had it not been subject to adjustment, (B) the Following Business Day Convention, such date shall be postponed to the next day that is a Business Day, (C) the Modified Following Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day or (D) the Preceding Business Day Convention, such date shall be brought forward to the immediately preceding Business Day.

(iii) Rate of Interest for Floating Rate Notes

The Rate of Interest in respect of Floating Rate Notes for each Interest Accrual Period shall be determined in the manner specified hereon and the provisions below relating to either ISDA Determination or Screen Rate Determination shall apply, depending upon which is specified hereon.

(A) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified hereon as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate. For the purposes of this sub-paragraph (A), “ISDA Rate” for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (x) the Floating Rate Option is as specified hereon;
- (y) the Designated Maturity is a period specified hereon; and
- (z) the relevant Reset Date is the first day of that Interest Accrual Period unless otherwise specified hereon.

For the purposes of this sub-paragraph (A), “Floating Rate”, “Calculation Agent”, “Floating Rate Option”, “Designated Maturity”, “Reset Date” and “Swap Transaction” have the meanings given to those terms in the ISDA Definitions.

(B) Screen Rate Determination for Floating Rate Notes

Where Screen Rate Determination is specified hereon as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent at or about the Relevant Time on the Interest Determination Date in respect of such Interest Accrual Period in accordance with the following:

- (x) if the Primary Source for Floating Rate is a Page, subject as provided below, the Rate of Interest shall be:
 - (I) the Relevant Rate (where such Relevant Rate on such Page is a composite quotation or is customarily supplied by one entity) or
 - (II) the arithmetic mean of the Relevant Rates of the persons whose Relevant Rates appear on that Page,in each case appearing on such Page at the Relevant Time on the Interest Determination Date
- (y) if the Primary Source for the Floating Rate is Reference Banks or if sub-paragraph (x)(I) applies and no Relevant Rate appears on the Page at the Relevant Time on the Interest Determination Date or if sub-paragraph (x)(II) above applies and fewer than two Relevant Rates appear on the Page at the Relevant Time on the Interest Determination Date, subject as provided below, the Rate of Interest shall be the arithmetic mean of the Relevant Rates that each of the Reference Banks is quoting to leading banks in the Relevant Financial Centre at the Relevant Time on the Interest Determination Date, as determined by the Calculation Agent and
- (z) if paragraph (y) above applies and the Calculation Agent determines that fewer than two Reference Banks are so quoting Relevant Rates, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) that the Calculation Agent determines to be the rates (being the nearest equivalent to the Benchmark) in respect of a Representative Amount of the Specified Currency that at least two out of five leading banks selected by the Calculation Agent in the principal financial centre of the country of the Specified Currency or, if the Specified Currency is euro, in the Euro-zone

as selected by the Calculation Agent (the “Principal Financial Centre”) are quoting at or about the Relevant Time on the date on which such banks would customarily quote such rates for a period commencing on the Effective Date for a period equivalent to the Specified Duration (I) to leading banks carrying on business in Europe, or (if the Calculation Agent determines that fewer than two of such banks are so quoting to leading banks in Europe) (II) to leading banks carrying on business in the Principal Financial Centre; except that, if fewer than two of such banks are so quoting to leading banks in the Principal Financial Centre, the Rate of Interest shall be the Rate of Interest determined on the previous Interest Determination Date (after readjustment for any difference between any Margin, Rate Multiplier or Maximum or Minimum Rate of Interest applicable to the preceding Interest Accrual Period and to the relevant interest Accrual Period).

(iv) Rate of Interest for Index Linked Interest Notes

The Rate of Interest in respect of Index Linked Interest Notes for each Interest Accrual Period shall be determined in the manner specified hereon and interest will accrue by reference to an Index or Formula as specified hereon.

(c) Zero Coupon Notes

Where a Note the Interest Basis of which is specified to be Zero Coupon is repayable prior to the Maturity Date and is not paid when due, the amount due and payable, subject to Condition 5, prior to the Maturity Date shall be the Early Redemption Amount of such Note. As from the Maturity Date, the Rate of Interest for any overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 6(b)(i)).

(d) Dual Currency Notes

In the case of Dual Currency Notes, if the rate or amount of interest falls to be determined by reference to a Rate of Exchange or a method of calculating a Rate of Exchange, the rate or amount of interest payable shall be determined in the manner specified hereon.

(e) Partly Paid Notes

In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified hereon.

(f) Accrual of Interest

If any redemption of the Dated Subordinated Notes is not made on the Maturity Date by virtue of the provisions of Condition 5(c), interest shall continue to accrue and shall be payable as provided in these Conditions up to (but excluding) the Deferred Maturity Date (as defined in Condition 5) or such earlier date on which payment of all sums due is made.

Interest shall cease to accrue on each Note on the due date for redemption (being, as appropriate, the Maturity Date, the Deferred Maturity Date or any other date for redemption pursuant to these Conditions) unless, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (as well after as before judgment) at the Rate of Interest in the manner provided in this Condition 4 to the Relevant Date (as defined in Condition 8).

(g) *Margin, Maximum/Minimum Rates of Interest, Instalment Amounts and Redemption Amounts, Rate Multipliers and Rounding*

- (i) If any Margin or Rate Multiplier is specified hereon (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with Condition 4(b) above by adding (if a positive number) or subtracting the absolute value (if a negative number) of such Margin or multiplying by such Rate Multiplier, subject always to the next paragraph.
- (ii) If any Maximum or Minimum Rate of Interest, Instalment Amount or Redemption Amount is specified hereon, then any Rate of Interest, Instalment Amount or Redemption Amount shall be subject to such maximum or minimum, as the case may be.
- (iii) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (y) all figures shall be rounded to seven significant figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes “unit” means the lowest amount of such currency that is available as legal tender in the country[ies] of such currency.

(h) *Calculations*

The amount of interest payable in respect of any Note for any period shall be calculated by multiplying the product of the Rate of Interest and the outstanding nominal amount of such Note by the Day Count Fraction, unless an Interest Amount (or a formula for its calculation) is specified in respect of such period, in which case the amount of interest payable in respect of such Note for such period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period shall be the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods.

(i) *Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts and Instalment Amounts*

As soon as practicable after the Relevant Time on each Interest Determination Date or such other time on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, it shall determine such rate and calculate the Interest Amounts in respect of each Specified Denomination of the Notes for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or Instalment Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or any Instalment Amount to be notified to the Trustee, the Issuer, each of the Paying Agents, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed on a stock exchange and the rules of such exchange or other relevant authority so require, such exchange or other relevant authority as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such exchange of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 4(b)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made with the consent of the Trustee by way of

adjustment) without notice in the event of an extension or shortening of the Interest Period. If the Notes become due and payable under Condition 10, the accrued interest and the Rate of Interest payable in respect of the Notes shall nevertheless continue to be calculated as previously in accordance with this Condition but no publication of the Rate of Interest or the Interest Amount so calculated need be made unless the Trustee otherwise requires. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

(j) *Determination or Calculation by Trustee*

If the Calculation Agent does not at any time for any reason determine or calculate the Rate of Interest for an Interest Period or any Interest Amount, Instalment Amount, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, the Trustee shall do so (or shall appoint an agent on its behalf to do so) and such determination or calculation shall be deemed to have been made by the Calculation Agent. In doing so, the Trustee shall apply the foregoing provisions of this Condition, with any necessary consequential amendments, to the extent that, in its opinion, it can do so, and, in all other respects it shall do so in such manner as it shall deem fair and reasonable in all the circumstances.

5. Deferral of Payments

(a) Optional Deferral of Interest

The Issuer may on any Optional Interest Payment Date (as defined below), defer payment of interest on the Notes which would otherwise be payable on such date.

The deferral of any interest payment on any Optional Interest Payment Date in accordance with this Condition 5(a) will not constitute a default by the Issuer and will not give Noteholders or the Trustee any right to accelerate the Notes. The Issuer shall notify the Trustee and the Noteholders as soon as practicable (and in any event within 10 business days) after any Optional Interest Payment Date in respect of which payment is deferred of the amount of such payment otherwise due on that date and the grounds upon which such deferral has been made (the “Deferral Notice”). In the case of Dated Subordinated Notes, the Issuer may defer paying interest on each Optional Interest Payment Date until the Maturity Date (or, if applicable, any Deferred Maturity Date) or any earlier date on which the Dated Subordinated Notes are redeemed in full. In the case of Undated Subordinated Notes, the Issuer may defer paying interest on each Optional Interest Payment Date until the Notes are redeemed in full.

As used herein:

“Deferred Maturity Date” means the day following the second anniversary of the Maturity Date;

“EEA Regulated Subsidiary” means any entity engaged in the insurance business and regulated as such by a member state of the European Economic Area in which the Issuer, directly or indirectly, holds 20 per cent. or more of the voting rights or capital;

- (b) no interest payments have been made on any junior or *pari passu* ranking securities of the Issuer (other than the Notes) and no dividend or other distribution has been irrevocably declared on any class of the Issuer’s share capital since the date of the commencement of that Regulatory Intervention; or
- (ii) no interest payments have been made on any junior or *pari passu* ranking securities of the Issuer (other than the Notes) during the financial year of the Issuer in which such Interest Payment Date falls, and no dividend or other distribution on any class of the Issuer’s share capital was irrevocably declared at or since the annual general meeting of shareholders immediately prior to that Interest Payment Date;

A Regulatory Intervention shall be deemed to be continuing until such date as, in the case of (a) or (b), the relevant margins of solvency or capital adequacy levels have been restored or improved to the satisfaction of the Relevant Supervisory Authority or the request is otherwise withdrawn or addressed to the satisfaction of the Relevant Supervisory Authority or, in the case of (c), the first date on which the Issuer or relevant EEA Regulated Subsidiary, as applicable, meets its applicable minimum solvency margins or, as the case may be, capital adequacy levels, as determined and so certified to the Trustee by the Board of Directors (or other management body) thereof; and

“Relevant Supervisory Authority” means any regulator having jurisdiction over the Issuer or any of the EEA Regulated Subsidiaries.

(b) *Arrears of Interest*

Any interest in respect of the Notes not paid on an Interest Payment Date, together with any other interest in respect thereof not paid on any earlier Interest Payment Date, in each case by virtue of Condition 5(a), shall, so long as the same remains unpaid, constitute “Arrears of Interest”. Any Arrears of Interest and any other amount, payment of which is deferred in accordance with Condition 5(a), will automatically become immediately due and payable (irrespective of any prior written notice to, or absence of objection from, the FSA) upon the earliest of the following dates (the “Resumption Date”):

- (i) the date on which the Issuer declares a dividend or other distribution or payment on any class of its share capital or pays interest on any other junior or *pari passu* ranking securities;
- (ii) the date on which the Issuer notifies the Trustee that no Regulatory Intervention that has occurred is or will be continuing on such date unless the Issuer is otherwise entitled to defer at such time by virtue of Condition 5(a);
- (iii) the date on which the Issuer commences and does not abandon a public offer to redeem, purchase or acquire any of its ordinary shares or other junior or *pari passu* ranking securities;

- (v) the date fixed for any redemption or purchase of Notes by or on behalf of the Issuer pursuant to Condition 6 or Condition 10(a).

(c) *Deferral of Principal on Dated Subordinated Notes*

The Issuer, in the case of Dated Subordinated Notes, will be entitled to defer payment of principal and any applicable premium on the Maturity Date if, on the Maturity Date, the Issuer or any one of the EEA Regulated Subsidiaries has failed to meet its applicable minimum solvency margins or capital adequacy ratios (or is reasonably likely to so fail immediately after such payments) as at the date of the most recent audited accounts of the Issuer, or as the case may be, the relevant EEA Regulated Subsidiary or, if later, the date those margins or levels were most recently tested for regulatory purposes or, if later, any date selected by the Board of Directors (or other management body) of the Issuer, or as the case may be, the relevant EEA Regulated Subsidiary.

If payment of principal and any premium in respect of the Dated Subordinated Notes on the Maturity Date is deferred, the Dated Subordinated Notes will, unless previously redeemed or purchased and cancelled, be redeemed at their Final Redemption Amount on the Deferred Maturity Date.

(d) *No default*

Notwithstanding any other provision in these Conditions or the Trust Deed, any payment which for the time being is not made by virtue of Condition 5(a) or (c) shall not constitute a default for any purpose (including, but without limitation, Condition 10) on the part of the Issuer. Arrears of Interest and any other amount, payment of which is so deferred, shall not themselves bear interest.

6. Redemption, Purchase and Options

(a) *Redemption*

- (i) Unless previously redeemed, purchased and cancelled as provided in this Condition 6 or the relevant Instalment Date (being one of the dates so specified hereon) is extended pursuant to any Issuer's option in accordance with Condition 6(d), each Dated Subordinated Note that provides for Instalment Dates and Instalment Amounts shall, subject to Condition 5(c) and Condition 6(e), be partially redeemed on each Instalment Date at the related Instalment Amount specified hereon. The outstanding nominal amount of each such Note shall be reduced by the Instalment Amount (or, if such Instalment Amount is calculated by reference to a proportion of the nominal amount of such Note, such proportion) for all purposes with effect from the related Instalment Date, unless payment of the Instalment Amount is improperly withheld or refused on presentation of the related Receipt, in which case, such amount shall remain outstanding.
- (ii) Unless previously redeemed, purchased and cancelled as provided below or its maturity is extended pursuant to any Issuer's option in accordance with Condition 6(d) and subject to Condition 5(c) and Condition 6(e), each Dated Subordinated Note shall be finally redeemed on

the Maturity Date specified hereon at its Final Redemption Amount (which, unless otherwise provided hereon, is its nominal amount) or, in the case of a Note falling within paragraph (i) above, its final Instalment Amount.

- (iii) Undated Subordinated Notes have no final maturity date and are only redeemable or repayable in accordance with the following provisions of this Condition 6 and Condition 10.

(b) *Early Redemption*

(i) Zero Coupon Notes

- (A) The Early Redemption Amount payable in respect of any Zero Coupon Note, the Early Redemption Amount of which is not linked to an index and/or a formula, upon redemption of such Note pursuant to Condition 6(c) or upon it becoming due and payable as provided in Condition 10 shall be the Amortised Face Amount (calculated as provided below) of such Note unless otherwise specified hereon.
- (B) Subject to the provisions of sub-paragraph (C) below, the Amortised Face Amount of any such Note shall be the scheduled Final Redemption Amount of such Note on the Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the Amortisation Yield (which, if none is shown hereon, shall be such rate as would produce an Amortised Face Amount equal to the issue price of the Notes if they were discounted back to their issue price on the Issue Date) compounded annually.
- (C) If the Early Redemption Amount payable in respect of any such Note upon its redemption pursuant to Condition 6(c) or upon it becoming due and payable as provided in Condition 10 is not paid when due, the Early Redemption Amount due and payable in respect of such Note shall be the Amortised Face Amount of such Note as defined in sub-paragraph (B) above, except that such sub-paragraph shall have effect as though the date on which the Note becomes due and payable were the Relevant Date. The calculation of the Amortised Face Amount in accordance with this sub-paragraph shall continue to be made (as well after as before judgment) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note on the Maturity Date together with any interest that may accrue in accordance with Condition 4(c).

Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction shown hereon.

(ii) Other Notes

The Early Redemption Amount payable in respect of any Note (other than Notes described in (i) above), upon redemption of such Note pursuant to Condition 6(c) or upon it becoming due and payable as provided in Condition 10, shall be the Final Redemption Amount unless otherwise specified hereon.

(c) *Redemption for Taxation Reasons*

If the Issuer determines that immediately before the giving of the notice referred to below either:

- (i) on the occasion of the next payment due in respect of the Notes, the Issuer would be required to pay additional amounts as provided or referred to in Condition 8; or
- (ii) on the next Interest Payment Date, the payment of interest in respect of the Notes would be treated (in the case of Undated Subordinated Notes only, for reasons outside of the control of the Issuer and any affiliate of the Issuer) as a “distribution” within the meaning of the Income and Corporation Taxes Act 1988 (as amended, re-enacted or replaced),

the Issuer may, at its option, having given at least six months' prior written notice to, and received no objection from, the FSA (or such shorter notice period as the FSA may accept and so long as such notice is required to be given) and having given not less than 30 nor more than 60 days' notice (a "Tax Redemption Notice") to the Issuing and Paying Agent, the Trustee and, if required in accordance with Condition 16, the holders of Registered Notes (which notice shall be irrevocable) redeem all, but not some only, of the Notes at any time and at their Early Redemption Amount (as described in Condition 6(b) above) together with interest accrued to (but excluding) the date of redemption and, to the extent not accrued, all Arrears of Interest.

Prior to the publication of any Tax Redemption Notice, the Issuer shall deliver to the Trustee (1) a certificate signed by two directors of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the Issuer has become, is or would be so required to pay additional amounts or that the payment of interest has become, is or would be so treated as a "distribution" as aforesaid (which, in the case of Undated Subordinated Notes only, is for reasons outside of the control of the Issuer and any affiliate of the Issuer), and (2) an opinion in form and substance reasonably satisfactory to the Trustee of independent legal advisers of recognised standing to that effect. The Trustee shall, without enquiring and without any liability therefor, accept such certificate as sufficient evidence of the satisfaction of either or both of the circumstances set out above, as the case may be, and it shall be conclusive and binding on the Noteholders and the Couponholders.

(d) *Redemption at the Option of the Issuer and Exercise of Issuer's Options*

Unless the Issuer shall have given notice to redeem the Notes under Condition 6(c) on or prior to the expiration of the notice referred to below, and if Call Option is specified hereon, the Issuer may at its option, having given at least six months' prior written notice to, and received no objection from, the FSA (or such shorter notice period as the FSA may accept and so long as such notice is required to be given) and having given not less than 30 nor more than 60 days' irrevocable notice to the Noteholders (or such other notice period as may be specified hereon) redeem, or exercise any Issuer's option (as may be described hereon) in relation to, all or, if so provided, some of the Notes on any Optional Redemption Date or Option Exercise Date, as the case may be. Any such redemption of Notes shall be at their Optional Redemption Amount together with interest accrued to the date fixed for redemption and all Arrears of Interest. Any such redemption or exercise must relate to Notes of a nominal amount at least equal to the minimum nominal amount to be redeemed specified hereon and no greater than the maximum nominal amount to be redeemed specified hereon.

All Notes in respect of which any such notice is given shall be redeemed, or the Issuer's option shall be exercised, on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption or a partial exercise of an Issuer's option, the notice to Noteholders shall also contain the certificate numbers of the Notes to be redeemed or in respect of which such option has been exercised, which shall have been drawn in such place as the Trustee may approve and in such manner as it deems appropriate, subject to compliance with any applicable laws and stock exchange or other relevant authority requirements.

(e) *Deferred Redemption of Dated Subordinated Notes*

If payment of principal and any premium in respect of the Notes on the Maturity Date is deferred pursuant to Condition 5(c), the Notes will, unless previously redeemed or purchased and cancelled, be redeemed at their Final Redemption Amount on the Deferred Maturity Date.

(f) *Redemption at the Option of the Issuer due to Capital Disqualification Event*

If Capital Disqualification Call is specified hereon and the Issuer satisfies the Trustee prior to the giving of the notice referred to below that a Capital Disqualification Event has occurred, the Issuer may, at its option, having given at least six months' prior written notice to, and received no objection from, the FSA (or such shorter notice period as the FSA may accept and so long as such notice is

required to be given) and having given not less than 30 nor more than 60 days' notice to the Trustee and to the Noteholders (or such other notice period as may be specified hereon) (which notice shall be irrevocable), redeem all, or, if so provided, some only, of the Notes on any Capital Disqualification Redemption Date specified hereon at their Special Redemption Price specified hereon together, with interest accrued to, but excluding, the date of redemption and all Arrears of Interest. Any such redemption must relate to Notes of a nominal amount at least equal to the minimum nominal amount to be redeemed specified hereon and no greater than the maximum nominal amount to be redeemed specified hereon.

All Notes in respect of which any such notice is given shall be redeemed on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption or a partial exercise of an Issuer's option, the notice to Noteholders shall also contain the certificate numbers of the Notes to be redeemed or in respect of which such option has been exercised, which shall have been drawn in such place as the Trustee may approve and in such manner as it deems appropriate, subject to compliance with any applicable laws and stock exchange or other relevant authority requirements.

A "Capital Disqualification Event" is deemed to have occurred if solvency calculations in respect of the Issuer are required by any Relevant Supervisory Authority, including, without limitation, pursuant to the Directive or any legislation, rules or regulations (whether having the force of law or otherwise) in any state within the EEA implementing the Directive (the "Relevant Rules") and:

- (i) under the Directive or the Relevant Rules or the application or official interpretation thereof, at the time, the Notes would not be capable of counting as cover for the minimum or notional margin of solvency required of the Issuer under the Directive or the Relevant Rules; or
- (ii) as a result of any change to the Directive or the Relevant Rules or the application or official interpretation thereof any Notes would not be capable of counting as cover for the minimum or notional margin of solvency of the Issuer under the Directive or the Relevant Rules.

As used herein, "Directive" means Directive 98/78/EC of the European Union.

(g) *Partly Paid Notes*

Partly Paid Notes will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition and the provisions specified hereon.

(h) *Purchases*

The Issuer and any of its Subsidiaries for the time being may, having given prior written notice to, and received no objection from, the FSA (so long as such notice is required to be given), at any time purchase Notes (provided that all unmatured Receipts and Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise at any price.

"Subsidiary" means any entity which is for the time being a subsidiary (with the meaning of Section 736 of the Companies Act 1985) of the Issuer.

(i) *Cancellation*

All Notes purchased by or on behalf of the Issuer or any of its Subsidiaries may be surrendered for cancellation, in the case of Bearer Notes, by surrendering each such Note together with all unmatured Receipts and Coupons and all unexchanged Talons to the Issuing and Paying Agent and, in the case of Registered Notes, by surrendering the Certificate representing such Notes to the Registrar and, in each case, if so surrendered, shall, together with all Notes redeemed by the Issuer, be cancelled forthwith (together with all unmatured Receipts and Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Notes so surrendered for cancellation may not be reissued or resold and the obligations of the Issuer in respect of any such Notes shall be discharged.

7. Payments and Talons

(a) Bearer Notes

Payments of principal and interest in respect of Bearer Notes shall, subject as mentioned below, be made against presentation and surrender of the relevant Receipts (in the case of payments of Instalment Amounts other than on the due date for redemption and provided that the Receipt is presented for payment together with its relative Note), Notes (in the case of all other payments of principal and, in the case of interest, as specified in Condition 7(f)(vi)) or Coupons (in the case of interest, save as specified in Condition 7(f)(ii)), as the case may be, at the specified office of any Paying Agent outside the United States by a cheque payable in the relevant currency drawn on, or, at the option of the holder, by transfer to an account denominated in such currency with, a Bank. "Bank" means a bank in the principal financial centre for such currency or, in the case of euro, in a city in which banks have access to the TARGET System.

(b) Registered Notes

- (i) Payments of principal (which for the purposes of this Condition 7(b) shall include final Instalment Amounts but not other Instalment Amounts) in respect of Registered Notes shall be made against presentation and surrender of the relevant Certificates at the specified office of any of the Transfer Agents or of the Registrar and in the manner provided in paragraph (ii) below.
- (ii) Interest (which for the purpose of this Condition 7(b) shall include all Instalment Amounts other than final Instalment Amounts) on Registered Notes shall be paid to the person shown on the Register at the close of business on the fifteenth day before the due date for payment thereof (the "Record Date"). Payments of interest on each Registered Note shall be made in the relevant currency by cheque drawn on a Bank and mailed to the holder (or to the first named of joint holders) of such Note at its address appearing in the Register. Upon application by the holder to the specified office of the Registrar or any Transfer Agent before the Record Date, such payment of interest may be made by transfer to an account in the relevant currency maintained by the payee with a Bank.

(c) Payments in the United States

Notwithstanding the foregoing, if any Bearer Notes are denominated in U.S. dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.

(d) Payments subject to Fiscal Laws

All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives, but without prejudice to the provisions of Condition 8. No commission or expenses shall be charged to the Noteholders or Couponholders in respect of such payments.

(e) Appointment of Agents

The Issuing and Paying Agent, the Paying Agents, the Registrar, the Transfer Agents and the Calculation Agent initially appointed by the Issuer and their respective specified offices are listed below. The Issuing and Paying Agent, the Paying Agents, the Registrar, the Transfer Agents and the Calculation Agent act solely as agents of the Issuer and do not assume any obligation or relationship

of agency or trust for or with any Noteholder or Couponholder. The Issuer reserves the right at any time with the approval of the Trustee to vary or terminate the appointment of the Issuing and Paying Agent, any other Paying Agent, the Registrar, any Transfer Agent or the Calculation Agent(s) and to appoint additional or other Paying Agents or Transfer Agents, provided that the Issuer shall at all times maintain (i) an Issuing and Paying Agent, (ii) a Registrar in relation to Registered Notes, (iii) a Transfer Agent in relation to Registered Notes, (iv) one or more Calculation Agent(s) where the Conditions so require, (v) Paying Agents having specified offices in London so long as the Notes are listed on the official list of the Financial Services Authority in its capacity as competent authority under the Financial Services and Markets Act 2000 and admitted to trading on the London Stock Exchange's market for listed securities, (vi) insofar as the Issuer would be obliged to pay additional amounts pursuant to Condition 8 upon presentation of the Note or the Coupon, as the case may be, for payment in the United Kingdom but for the application of Condition 8(f), a Paying Agent having a specified office in a European Union member state that will not be obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC or any other European Union Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive (to the extent that at least one such member state does not require a Paying Agent with an office in that member state to so withhold or deduct amounts for or on account of tax, whether pursuant to such Directive, under the law of that member state or otherwise).

In addition, the Issuer shall forthwith appoint a Paying Agent in New York City in respect of any Bearer Notes denominated in U.S. dollars in the circumstances described in Condition 7(c).

Notice of any such change or any change of any specified office shall promptly be given to the Noteholders.

(f) *Unmatured Coupons and Receipts and unexchanged Talons*

- (i) Unless the Notes provide that the relative Coupons are to become void upon the due date for redemption of those Notes, Bearer Notes should be surrendered for payment together with all unexpired Coupons (if any) relating thereto, failing which an amount equal to the face value of each missing unexpired Coupon (or, in the case of payment not being made in full, that proportion of the amount of such missing unexpired Coupon that the sum of principal so paid bears to the total principal due) shall be deducted from the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, due for payment. Any amount so deducted shall be paid in the manner mentioned above against surrender of such missing Coupon within a period of 10 years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 9).
- (ii) If the Notes so provide, upon the due date for redemption of any Bearer Note, unexpired Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.
- (iii) Upon the due date for redemption of any Bearer Note, any unexpired Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.
- (iv) Upon the due date for redemption of any Bearer Note that is redeemable in instalments, all Receipts relating to such Note having an Instalment Date falling on or after such due date (whether or not attached) shall become void and no payment shall be made in respect of them.
- (v) Where any Bearer Note that provides that the relative unexpired Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unexpired Coupons, and where any Bearer Note is presented for redemption without any unexpired Talon relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require.

- (vi) If the due date for redemption of any Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, shall only be payable against presentation (and surrender if appropriate) of the relevant Bearer Note or Certificate representing it, as the case may be. Interest accrued on a Note that only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation of the relevant Note or Certificate representing it, as the case may be.

(g) Talons

On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Bearer Note, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Issuing and Paying Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 9).

(h) Non-Business Days

If any date for payment in respect of any Note, Receipt or Coupon is not a business day, the holder shall not be entitled to payment until the next following business day nor to any interest or other sum in respect of such postponed payment. In this paragraph, “business day” means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in the relevant place of presentation, in such jurisdictions as shall be specified as “Additional Financial Centres” hereon and:

- (i) (in the case of a payment in a currency other than euro) where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency or
- (ii) (in the case of a payment in euro) which is a TARGET Business Day.

8. Taxation

All payments of principal and interest by or on behalf of the Issuer in respect of the Notes, the Receipts and the Coupons shall be made without withholding or deduction for or on account of, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within the United Kingdom or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law. In that event, the Issuer shall pay such additional amounts as shall result in receipt by the Noteholders and Couponholders of such amounts as would have been received by them had no such withholding or deduction been required by law to be made, except that no such additional amounts shall be payable with respect to any Note, Receipt or Coupon:

(a) Other connection

presented for payment by or on behalf of, a holder who is liable to such taxes, duties, assessments or governmental charges in respect of such Note, Receipt or Coupon by reason of his having some connection with the United Kingdom other than the mere holding of the Note, Receipt or Coupon or

(b) Lawful avoidance of withholding

presented for payment by or on behalf of, a holder who could lawfully avoid (but has not so avoided) such deduction or withholding by complying or procuring that any third party complies with any statutory requirements or by making or procuring that any third party makes a declaration of non-residence or other similar claim for exemption to any tax authority in the place where the relevant Note (or the Certificate representing it), Receipt or Coupon is presented for payment or

(c) *Presentation more than 30 days after the Relevant Date*

presented (or in respect of which the Certificate representing it is presented) for payment more than 30 days after the Relevant Date (as defined below) except to the extent that the holder of it would have been entitled to such additional amounts on presenting it for payment on the thirtieth day or

(d) *Payment to individuals*

where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any other European Union Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive or

(e) *Payment by another Paying Agent*

(except in the case of the payment or interest in respect of Registered Notes) presented for payment by or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting the relevant Note, Receipt or Coupon to another Paying Agent (or, in the case of the payment of principal in respect of Registered Notes, another Transfer Agent or, if applicable, the Registrar) in a Member State of the European Union or

(f) *Presentation for Payment in the United Kingdom*

presented for payment in the United Kingdom or

(g) *Any combination*

where the requirement to withhold or deduct which gives rise to the obligation to pay additional amounts arises out of any combination of (a) to (f) above.

As used in these Conditions, “Relevant Date” in respect of any Note, Receipt or Coupon means the date on which payment in respect of it first becomes due or (if any amount of the money payable is improperly withheld or refused) the date on which payment in full of the amount outstanding is made or (if earlier) the date seven days after that on which notice is duly given to the Noteholders that, upon further presentation of the Note (or relative Certificate), Receipt or Coupon being made in accordance with the Conditions, such payment will be made, provided that payment is in fact made upon such presentation. References in these Conditions to (i) “principal” shall be deemed to include any premium payable in respect of the Notes, all Instalment Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts, Special Redemption Price, Amortised Face Amounts and all other amounts in the nature of principal payable pursuant to Condition 6 or any amendment or supplement to it, (ii) “interest” shall be deemed to include all Interest Amounts and all other amounts payable pursuant to Condition 4 or any amendment or supplement to it and (iii) “principal” and/or “interest” shall be deemed to include any additional amounts that may be payable under this Condition or any undertaking given in addition to or in substitution for it under the Trust Deed.

9. Prescription

Claims against the Issuer for payment in respect of the Notes, Receipts and Coupons (which, for this purpose, shall not include Talons) shall be prescribed and become void unless made within 10 years (in the case of principal) or five years (in the case of interest) from the appropriate Relevant Date in respect of them.

10. Events of Default and Enforcement

(a) Events of Default

If any of the following events (“Events of Default”) occurs and is continuing, the Trustee at its discretion may, and if so requested by holders of at least one-quarter in nominal amount of the Notes then outstanding or if so directed by an Extraordinary Resolution shall (but in each case subject to Condition 10(d) below), give notice to the Issuer that the Notes are, and they shall immediately become, due and payable at their Early Redemption Amount together with accrued interest and all Arrears of Interest:

- (i) subject to the provisions of Condition 5, default is made for a period of seven days or more in the payment of any principal due in respect of the Notes or any of them or 14 days or more in the payment of any interest due in respect of the Notes or any of them provided that the Issuer shall not be in default, however, if, in the case of principal, during the seven days grace period referred to above or, in the case of interest, during the 14 days grace period referred to above, it satisfies the Trustee that such sums were not paid in order to comply with any order of any United Kingdom court of competent jurisdiction applicable to such payment provided that such grace period shall automatically start to run again upon such order expiring or being discharged or revoked; or
- (ii) an order is made or a resolution is passed for the winding-up or dissolution of the Issuer (other than a winding-up or dissolution which has been approved in writing by the Trustee or by an Extraordinary Resolution of the Noteholders).

(b) Proceedings for Winding-up

If the Notes become due and repayable (whether pursuant to paragraph (a) above or Condition 6) and are not paid when so due and repayable, the Trustee may at its discretion institute proceedings for the winding-up of the Issuer, provided, however, that the Trustee may only institute proceedings for the winding-up of the Issuer on or after the date two years and one day after the failure by the Issuer to make payment as described in this paragraph (b), but may take no further or other action to enforce the obligations of the Issuer for payment of any principal or interest (including Arrears of Interest, if any) in respect of the Notes. No payment in respect of the Notes may be made by the Issuer pursuant to paragraph (a) above, nor will the Trustee accept the same, otherwise than during or after a winding-up of the Issuer, unless the Issuer has given prior written notice to, and received no objection from, the FSA.

(c) Enforcement

Without prejudice to Condition 10(a) or (b) above, the Trustee may at its discretion and without further notice institute such proceedings against the Issuer as it may think fit to enforce any obligation, condition or provision binding on the Issuer under the Trust Deed, the Notes, the Receipts or the Coupons (other than any obligation for the payment of any principal, premium or interest in respect of the Notes, the Receipts or the Coupons) provided that the Issuer shall not by virtue of the institution of any such proceedings be obliged to pay any sum or sums sooner than the same would otherwise have been payable by it.

(d) Entitlement of the Trustee

The Trustee shall not be bound to take any of the actions referred to in Condition 10(a), (b) or (c) above to enforce the obligations of the Issuer under the Trust Deed, the Notes, the Receipts or the Coupons unless (i) it shall have been so directed by an Extraordinary Resolution of the Noteholders or so requested in writing by the holders of at least one-quarter in principal amount of the Notes then outstanding and (ii) it shall have been indemnified to its satisfaction.

(e) *Right of Noteholders*

No Noteholder, Receiptholder or Couponholder shall be entitled to proceed directly against the Issuer or to prove in the winding-up of the Issuer unless the Trustee, having become so bound to proceed or being able to prove in such winding-up, fails to do so within a reasonable period and such failure shall be continuing, in which case the Noteholder, Receiptholder or Couponholder shall have only such rights against the Issuer as those which the Trustee is entitled to exercise. Any such proceedings brought by any Noteholder, Receiptholder or Couponholder shall be brought in the name of the Trustee, subject to such Noteholder, Receiptholder or Couponholder indemnifying the Trustee to its satisfaction.

(f) *Extent of Noteholders' remedy*

No remedy against the Issuer, other than as referred to in this Condition 10, shall be available to the Trustee or the Noteholders, Receiptholders or Couponholders, whether for the recovery of amounts owing in respect of the Notes or under the Trust Deed or in respect of any breach by the Issuer of any of its other obligations under or in respect of the Notes, Receipts, Coupons or under the Trust Deed.

11. Meetings of Noteholders, Modification and Waiver

(a) *Meetings of Noteholders*

The Trust Deed contains provisions for convening meetings of Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution (as defined in the Trust Deed) of a modification of any of these Conditions or any provisions of the Trust Deed. Such a meeting may be convened by Noteholders holding not less than 10 per cent. in nominal amount of the Notes for the time being outstanding. The quorum for any meeting convened to consider an Extraordinary Resolution shall be two or more persons holding or representing a clear majority in nominal amount of the Notes for the time being outstanding, or at any adjourned meeting two or more persons being or representing Noteholders whatever the nominal amount of the Notes held or represented, unless the business of such meeting includes consideration of proposals, *inter alia*, (i) to amend the dates of maturity or redemption of the Notes, any Instalment Date or any date for payment of interest or Interest Amounts or Arrears of Interest on the Notes, (ii) to reduce or cancel the nominal amount of, or any Instalment Amount of, or any premium payable on redemption of, the Notes, (iii) to reduce the rate or rates of interest or Arrears of Interest in respect of the Notes or to vary the method or basis of calculating the rate or rates or amount of interest or the basis for calculating any Interest Amount in respect of the Notes, (iv) if a Minimum and/or a Maximum Rate of Interest, Instalment Amount or Redemption Amount is shown hereon, to reduce any such Minimum and/or Maximum, (v) to vary any method of, or basis for, calculating the Final Redemption Amount, the Early Redemption Amount, Special Redemption Price or the Optional Redemption Amount, including the method of calculating the Amortised Face Amount, (vi) to vary the currency or currencies of payment or denomination of the Notes, (vii) to take any steps that as specified hereon may only be taken following approval by an Extraordinary Resolution to which the special quorum provisions apply, (viii) to modify the provisions concerning the quorum required at any meeting of Noteholders or the majority required to pass the Extraordinary Resolution, or (ix) to modify Condition 3, in which case the necessary quorum shall be two or more persons holding or representing not less than 75 per cent., or at any adjourned meeting not less than 25 per cent., in nominal amount of the Notes for the time being outstanding. Any Extraordinary Resolution duly passed shall be binding on Noteholders (whether or not they were present at the meeting at which such resolution was passed) and on all Couponholders.

These Conditions may be amended, modified or varied in relation to any Series of Notes by the terms of the relevant Pricing Supplement in relation to such Series.

(b) *Modification of the Trust Deed*

The Trustee may agree, without the consent of the Noteholders or Couponholders, to (i) any modification of any of the provisions of the Trust Deed that is of a formal, minor or technical nature or is made to correct a manifest error, and (ii) any other modification (except as mentioned in the Trust Deed), and any waiver or authorisation of any breach or proposed breach, of any of these Conditions and the provisions of the Trust Deed that is in the opinion of the Trustee not materially prejudicial to the interests of the Noteholders.

Any such modification, authorisation or waiver shall be binding on the Noteholders and the Couponholders and, if the Trustee so requires, such modification shall be notified to the Noteholders as soon as practicable.

(c) *Notice to FSA*

No modification to these Conditions or any other provisions of the Trust Deed (other than a modification which is of a formal, minor or technical nature or to correct a manifest error) shall become effective unless the Issuer shall have given at least one month's prior written notice to, and received no objection from, the FSA (or such shorter period of notice as the FSA may accept and so long as there is a requirement to give such notice).

12. Entitlement of the Trustee

In connection with the exercise of its functions (including but not limited to those referred to in Condition 11) the Trustee shall have regard to the interests of the Noteholders as a class and shall not have regard to the consequences of such exercise for individual Noteholders or Couponholders and the Trustee shall not be entitled to require, nor shall any Noteholder or Couponholder be entitled to claim, from the Issuer any indemnification or payment in respect of any tax consequence of any such exercise upon individual Noteholders or Couponholders.

13. Indemnification of the Trustee

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility. The Trustee is entitled to enter into business transactions with the Issuer and any entity related to the Issuer without accounting for any profit.

14. Replacement of Notes, Certificates, Receipts, Coupons and Talons

If a Note, Certificate, Receipt, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and stock exchange or other relevant authority regulations, at the specified office of the Issuing and Paying Agent (in the case of Bearer Notes, Receipts, Coupons or Talons) and of the Registrar (in the case of Certificates) or such other Paying Agent or Transfer Agent, as the case may be, as may from time to time be designated by the Issuer for the purpose and notice of whose designation is given to Noteholders, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, *inter alia*, that if the allegedly lost, stolen or destroyed Note, Certificate, Receipt, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Notes, Certificates, Receipts, Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced Notes, Certificates, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

15. Further Issues

The Issuer may from time to time without the consent of the Noteholders or Couponholders create and issue further securities either having the same terms and conditions as the Notes in all respects (or in all respects except for the first payment of interest on them) and so that such further issue shall be consolidated and form a single series with the outstanding securities of any series (including the Notes) or upon such terms as the

Issuer may determine at the time of their issue. References in these Conditions to the Notes include (unless the context requires otherwise) any other securities issued pursuant to this Condition and forming a single series with the Notes. Any further securities forming a single series with the outstanding securities of any series (including the Notes) constituted by the Trust Deed or any deed supplemental to it shall, and any other securities may (with the consent of the Trustee), be constituted by the Trust Deed. The Trust Deed contains provisions for convening a single meeting of the Noteholders and the holders of securities of other series where the Trustee so decides.

16. Notices

Notices to the holders of Registered Notes shall be mailed to them at their respective addresses in the Register and deemed to have been given on the fourth weekday (being a day other than a Saturday or a Sunday) after the date of mailing. Notices to the holders of Bearer Notes shall be valid if published in a daily newspaper of general circulation in London (which is expected to be the *Financial Times*). If in the opinion of the Trustee any such publication is not practicable, notice shall be validly given if published in another leading daily English language newspaper with general circulation in Europe. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the first date on which publication is made, as provided above.

Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Bearer Notes in accordance with this Condition.

17. Contracts (Rights of Third Parties) Act 1999

No person shall have any right to enforce any term or condition of the Notes under the Contracts (Rights of Third Parties) Act 1999.

18. Governing Law

The Trust Deed, the Notes, the Receipts, the Coupons and the Talons are governed by, and shall be construed in accordance with, English law.

SUMMARY OF PROVISIONS RELATING TO THE NOTES WHILE IN GLOBAL FORM

Initial Issue of Notes

Upon the initial deposit of a Global Note with a common depositary for Euroclear and Clearstream, Luxembourg (the “Common Depositary”) or registration of Registered Notes in the name of any nominee for Euroclear and Clearstream, Luxembourg and delivery of the relative Global Certificate to the Common Depositary, Euroclear or Clearstream, Luxembourg will credit each subscriber with a nominal amount of Notes equal to the nominal amount thereof for which it has subscribed and paid.

Notes that are initially deposited with the Common Depositary may also be credited to the accounts of subscribers with (if indicated in the relevant Pricing Supplement) other clearing systems through direct or indirect accounts with Euroclear and Clearstream, Luxembourg held by such other clearing systems. Conversely, Notes that are initially deposited with any other clearing system may similarly be credited to the accounts of subscribers with Euroclear, Clearstream, Luxembourg or other clearing systems.

Relationship of Accountholders with Clearing Systems

Each of the persons shown in the records of Euroclear, Clearstream, Luxembourg or any other clearing system as the holder of a Note represented by a Global Note or a Global Certificate must look solely to Euroclear, Clearstream, Luxembourg or such clearing system (as the case may be) for his share of each payment made by the Issuer to the bearer of such Global Note or the holder of the underlying Registered Notes, as the case may be, and in relation to all other rights arising under the Global Notes or Global Certificates, subject to and in accordance with the respective rules and procedures of Euroclear, Clearstream, Luxembourg, or such clearing system (as the case may be). Such persons shall have no claim directly against the relevant Issuer in respect of payments due on the Notes for so long as the Notes are represented by such Global Note or Global Certificate and such obligations of the Issuer and, if applicable, Guarantor will be discharged by payment to the bearer of such Global Note or the holder of the underlying Registered Notes, as the case may be, in respect of each amount so paid.

Exchange

Temporary Global Notes

Each temporary Global Note will be exchangeable, free of charge to the holder, on or after its Exchange Date:

- (i) if the relevant Pricing Supplement indicates that such Global Note is issued in compliance with the C Rules or in a transaction to which TEFRA is not applicable (as to which, see “Summary of the Programme — Selling Restrictions”), in whole, but not in part, for the Definitive Notes defined and described below and
- (ii) otherwise, in whole or in part upon certification as to non-U.S. beneficial ownership in the form set out in the Agency Agreement for interests in a permanent Global Note or, if so provided in the relevant Pricing Supplement, for Definitive Notes.

Permanent Global Notes

Each permanent Global Note will be exchangeable, free of charge to the holder, on or after its Exchange Date in whole but not in part for Definitive Notes:

- (i) by the relevant Issuer giving notice to the Noteholders, the Issuing and Paying Agent and the Trustee of its intention to effect such exchange, unless principal in respect of any Notes is not paid when due
- (ii) if the relevant Pricing Supplement provides that such Global Note is exchangeable at the request of the holder, by the holder giving notice to the Issuing and Paying Agent of its election for such exchange; and

- (iii) otherwise, if the permanent Global Note is held on behalf of Euroclear or Clearstream, Luxembourg or any other clearing system (an “Alternative Clearing System”) and any such clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or in fact does so.

Permanent Global Certificate

If the Pricing Supplement states that the Notes are to be represented by a permanent Global Certificate on issue, the following will apply in respect of transfers of Notes held in Euroclear or Clearstream, Luxembourg or an Alternative Clearing System. These provisions will not prevent the trading of interests in the Notes within a clearing system whilst they are held on behalf of such clearing system, but will limit the circumstances in which the Notes may be withdrawn from the relevant clearing system.

Transfers of the holding of Notes represented by any Global Certificate pursuant to Condition 2(a) may only be made in part:

- (i) if the relevant clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so or
- (ii) with the consent of the relevant Issuer

provided that, in the case of the first transfer of part of a holding pursuant to (i) above, the Registered Holder has given the Registrar not less than 30 days’ notice at its specified office of the Registered Holder’s intention to effect such transfer.

Delivery of Notes

On or after any due date for exchange the holder of a Global Note may surrender such Global Note or, in the case of a partial exchange, present it for endorsement to or to the order of the Issuing and Paying Agent. In exchange for any Global Note, or the part thereof to be exchanged, the relevant Issuer will (i) in the case of a temporary Global Note exchangeable for a permanent Global Note, deliver, or procure the delivery of, a permanent Global Note in an aggregate nominal amount equal to that of the whole or that part of a temporary Global Note that is being exchanged or, in the case of a subsequent exchange, endorse, or procure the endorsement of, a permanent Global Note to reflect such exchange or (ii) in the case of a Global Note exchangeable for Definitive Notes or Registered Notes, deliver, or procure the delivery of, an equal aggregate nominal amount of duly executed and authenticated Definitive Notes and/or Certificates, as the case may be. In this Information Memorandum, “Definitive Notes” means, in relation to any Global Note, the definitive Bearer Notes for which such Global Note may be exchanged (if appropriate, having attached to them all Coupons and Receipts in respect of interest or Instalment Amounts that have not already been paid on the Global Note and a Talon). Definitive Notes will be security printed and Certificates will be printed in accordance with any applicable legal and stock exchange requirements in or substantially in the form set out in the Schedules to the Trust Deed. On exchange in full of each permanent Global Note, the relevant Issuer will, if the holder so requests, procure that it is cancelled and returned to the holder together with the relevant Definitive Notes.

Exchange Date

“Exchange Date” means, in relation to a temporary Global Note, the day falling after the expiry of 40 days after its issue date and, in relation to a permanent Global Note, a day falling not less than 60 days, or in the case of an exchange for Registered Notes five days, or in the case of failure to pay principal in respect of any Notes when due 30 days, after that on which the notice requiring exchange is given and on which banks are open for business in the city in which the specified office of the Issuing and Paying Agent is located and in the city in which the relevant clearing system is located.

Amendment to Conditions

The temporary Global Notes, permanent Global Notes and Global Certificates contain provisions that apply to the Notes that they represent, some of which modify the effect of the terms and conditions of the Notes set out in this Information Memorandum. The following is a summary of certain of those provisions:

Payments

No payment falling due after the Exchange Date will be made on any Global Note unless exchange for an interest in a permanent Global Note or for Definitive Notes or Registered Notes is improperly withheld or refused. Payments on any temporary Global Note issued in compliance with the D Rules before the Exchange Date will only be made against presentation of certification as to non-U.S. beneficial ownership in the form set out in the Agency Agreement. All payments in respect of Notes represented by a Global Note will be made against presentation for endorsement and, if no further payment falls to be made in respect of the Notes, surrender of that Global Note to or to the order of the Issuing and Paying Agent or such other Paying Agent as shall have been notified to the Noteholders for such purpose. A record of each payment so made will be endorsed on each Global Note, which endorsement will be *prima facie* evidence that such payment has been made in respect of the Notes. Condition 7(e)(viii) and Condition 8(e) will apply to the Definitive Notes only.

Prescription

Claims against the relevant Issuer in respect of Notes that are represented by a permanent Global Note will become void unless it is presented for payment within a period of 10 years (in the case of principal) and 5 years (in the case of interest) from the appropriate Relevant Date (as defined in Condition 8).

Meetings

The holder of a permanent Global Note or of the Notes represented by a Global Certificate shall (unless such permanent Global Note or Global Certificate represents only one Note) be treated as being two persons for the purposes of any quorum requirements of a meeting of Noteholders and, at any such meeting, the holder of a permanent Global Note shall be treated as having one vote in respect of each minimum Specified Denomination of Notes for which such Global Note may be exchanged. (All holders of Registered Notes are entitled to one vote in respect of each Note comprising such Noteholder's holding, whether or not represented by a Global Certificate.)

Cancellation

Cancellation of any Note represented by a permanent Global Note that is required by the Conditions to be cancelled (other than upon its redemption) will be effected by reduction in the nominal amount of the relevant permanent Global Note.

Purchase

Notes represented by a permanent Global Note may only be purchased by the Issuer, (and/or, in the case of an issue of Notes by L&GF, the Guarantor) or any of its subsidiaries if they are purchased together with the rights to receive all future payments of interest and Instalment Amounts (if any) thereon.

Issuer's Option

Any option of the Issuer provided for in the Conditions of any Notes while such Notes are represented to a permanent Global Note shall be exercised by the relevant Issuer giving notice to the Noteholders within the time limits set out in and containing the information required by the Conditions, except that the notice shall not be required to contain the serial numbers of Notes drawn in the case of a partial exercise of an option and accordingly no drawing of Notes shall be required. In the event that any option of the relevant Issuer is exercised in respect of some but not all of the Notes of any Series, the rights of account holders with a

clearing system in respect of the Notes will be governed by the standard procedures of Euroclear, Clearstream, Luxembourg or any other clearing system (as the case may be).

Noteholders' Options

Any option of the Noteholders provided for in the Conditions of any Notes while such Notes are represented by a permanent Global Note may be exercised by the holder of the permanent Global Note giving notice to the Issuing and Paying Agent within the time limits relating to the deposit of Notes with a Paying Agent set out in the Conditions substantially in the form of the notice available from any Paying Agent, except that the notice shall not be required to contain the serial numbers of the Notes in respect of which the option has been exercised, and stating the nominal amount of Notes in respect of which the option is exercised and at the same time presenting the permanent Global Note to the Issuing and Paying Agent, or to a Paying Agent acting on behalf of the Issuing and Paying Agent, for notation.

Trustee's Powers

In considering the interests of Noteholders while any Global Note is held on behalf of, or Registered Notes are registered in the name of any nominee for, a clearing system, the Trustee may have regard to any information provided to it by such clearing system or its operator as to the identity (either individually or by category) of its accountholders with entitlements to such Global Note or Registered Notes and may consider such interests as if such accountholders were the holders of the Notes represented by such Global Note or Global Certificate and, in the case of Registered Notes only, the Trustee may have regard to any other letter of confirmation, form of record, information and/or certification as the Trustee shall, in its absolute discretion, think fit as evidence that at any particular time or throughout any particular period any particular person should be regarded as having an interest in a particular nominal amount of Registered Notes and if the Trustee does so rely on such evidence, such letter of confirmation, form of record, information and/or certification shall be conclusive and binding on all concerned.

Notices

So long as any Notes are represented by a Global Note and such Global Note is held on behalf of a clearing system, notices to the holders of Notes of that Series may be given by delivery of the relevant notice to that clearing system for communication by it to entitled accountholders in substitution for publication as required by the Conditions or by delivery of the relevant notice to the holder of the Global Note.

Partly Paid Notes

The provisions relating to Partly Paid Notes are not set out in this Information Memorandum, but will be contained in the relevant Pricing Supplement and thereby in the Global Notes. While any instalments of the subscription moneys due from the holder of Partly Paid Notes are overdue, no interest in a Global Note representing such Notes may be exchanged for an interest in a permanent Global Note or for Definitive Notes (as the case may be). If any Noteholder fails to pay any instalment due on any Partly Paid Notes within the time specified, the Issuer may forfeit such Notes and shall have no further obligation to their holder in respect of them.

USE OF PROCEEDS

The net proceeds of the issue of each Series or Tranche of Notes will be used to refinance Group borrowings and to fund the business of the Group.

CAPITALISATION AND INDEBTEDNESS OF L&G

The following table sets out the consolidated capitalisation and indebtedness of L&G which has been extracted without material adjustment from the statutory audited financial statements of Legal & General Group Plc for the year ended 31 December 2003. Unless stated otherwise, any reference to “Group” means L&G and its subsidiaries (which include L&GF).

Total indebtedness comprised the following:	
For financing other Group operations	862
Borrowing within long term operations.....	11
Attributed to the Shareholders Retained Capital within the long term fund.....	602
Total indebtedness	1,475

Notes:

- (1) Shareholders' funds of £3.3 billion include £2.2 billion represented by the shareholders retained capital in the long term fund. Shareholders' funds on an Achieved Profits basis at 31 December 2003 were £5.6 billion.
- (2) As at 31 December 2003, none of the total indebtedness of the Group was secured or guaranteed.
- (3) Legal & General has established an employee share ownership trust (ESOT) which may purchase ordinary shares in Legal & General in the market and hold such shares for delivery to employees under the various employee share schemes. Instead of using shares purchased in the market by the ESOT, Legal & General may issue new shares.
During 2003, 1.2 million shares were allocated by the ESOT to employees to settle entitlements due under the share schemes for 2003. As at 31 December 2003 the ESOT held 12.5 million shares acquired at a cost of £11.5 million and with a market value as at 31 December 2003 of £12.5 million. The ESOT's investments are included at cost in the Group's consolidated balance sheet within Other financial investments. The cost of shares acquired by the ESOT is being financed by an interest free loan from Legal & General. The ESOT has waived its rights to the dividends payable on the shares it holds.
- (4) Non-sterling currency indebtedness (primarily in U.S. dollars) is translated to sterling at the London mid-market rate of exchange ruling at the close of business on 31 December 2003. The principal rates of exchange used for translation into sterling at the period end were as follows:

	December 2003
U.S. dollar	US\$1.79 = £1.00
Euro.....	A1.42 = £1.00

- (5) Save as disclosed above, the Group did not have outstanding at 31 December 2003 any other borrowings, loan capital issued or created but unissued, term loans, borrowings or indebtedness in the nature of borrowing whether guaranteed or unguaranteed including bank overdrafts and liabilities under acceptances or acceptance credits, hire purchase commitments, mortgages, charges.

Save as disclosed below, the Group did not have outstanding at 31 December 2003 any other contingent liabilities and guarantees which would have a material adverse effect on the Group's financial position:

Provision for the liabilities arising under contracts with policyholders is based on certain assumptions. The variance of actual experience from that assumed may result in such liabilities differing from the provisions made for them. Liabilities may also arise in respect of claims relating to the interpretation of such contracts, or the circumstances in which policyholders have entered into them (together in this paragraph “liabilities”). The extent of such liabilities is influenced by a number of factors including the actions and requirements of the FSA, by ombudsman rulings, by industry compensation schemes and by court judgements. The continuing general

profile and emphasis being given by the FSA and other bodies to the suitability of the past sales of endowment policies in the context of some mortgage transactions has led to the continuing receipt of claims from holders of endowment policies.

On 27 November 2003, Legal & General Assurance Society Limited ("the Society") referred to the Financial Services and Markets Tribunal ("Tribunal") a Decision Notice issued by the FSA in relation to the sale of a small proportion of its mortgage related endowment policies issued between 1997 and 1999 ("Notice"). The matters contained in the Notice will be determined by the Tribunal later this year.

Provision for liabilities continues to be made and is regularly reviewed. However, it is not possible to predict, with certainty, the extent and the timing of the financial impact to which these liabilities may give rise. The relevant members of the Group nevertheless consider that each makes prudent provision for such liabilities, as and when circumstances calling for such provision become clear, and that each has adequate capital and reserves to meet all reasonably foreseeable eventualities.

In 1975 the Society was required by the Institute of London Underwriters (ILU) to execute the ILU form of guarantee in respect of policies issued through the ILU's Policy Signing Office on behalf of NRG Victory Reinsurance Company Ltd (Victory), a company which was then a subsidiary of the Society. In 1990, Nederlandse Reassurantie Groep Holding nv (the assets and liabilities of which have since been assumed by Nederlandse Reassurantie Groep NV under a statutory merger in the Netherlands) acquired Victory and provided an indemnity to the Society against any liability the Society may have as a result of the ILU's requirement, and the ILU agreed that its requirement of the Society would not apply to policies written or renewed after the acquisition. Whether the Society has any liability as a result of the ILU's requirement and, if so, the amount of its potential liability is uncertain. The Society has made no payment or provision in respect of this matter.

Group companies have given indemnities and guarantees, including interest rate guarantees, as a normal part of their operating activities or in relation to capital market transactions.

- (6) As at 31 December 2003, the authorised share capital of Legal & General was £230 million divided into 9,200,000,000 ordinary shares of 2.5 pence and the issued share capital was 6,503,861,912 ordinary shares of 2.5 pence with an aggregate nominal value of £163 million (see Shareholders' funds above).
- (7) On 18 December 2001, the Group issued £525 million senior unsecured convertible bonds which will mature in December 2006, carry a coupon of 2.75 per cent, per annum and currently have a conversion price of 184 pence (adjusted for a rights issue by Legal & General in 2002).
- (8) There has been no material change in the consolidated capitalisation, indebtedness, contingent liabilities and guarantees of the Group since 31 December 2003.

UNITED KINGDOM TAXATION

The comments below are of a general nature and are based on the Issuers' understanding of current United Kingdom law and practice relating to certain aspects of United Kingdom taxation of interest and are subject to changes therein or thereof, possibly with retrospective effect; they do not deal with other United Kingdom tax consequences which might arise from holding Notes, Receipts or Coupons. They are not exhaustive and do not necessarily apply where the income is deemed for tax purposes to be the income of any other person. They relate only to the position of persons who are the absolute beneficial owners of their Notes and Coupons and may not apply to certain classes of persons such as dealers, persons connected with an Issuer or certain professional investors, to whom special rules may apply. Prospective Noteholders should be aware that the particular terms of issue of any series of Notes as specified in the relevant Pricing Supplement may affect the United Kingdom tax treatment of that and any other series of Notes. These comments do not purport to constitute legal or tax advice. Any Noteholders who may be subject to tax in a jurisdiction other than the United Kingdom or are in any doubt as to their own tax position should consult their professional advisers.

Interest

- (a) To the extent that it does not comprise a premium or discount, a payment of principal in respect of any Notes will be payable without withholding or deduction for or on account of United Kingdom income tax.
- (b) Where Notes are issued at an issue price of less than 100 per cent. of their principal amount, any payments in respect of the accrued discount will not be made subject to any withholding or deduction for or on account of United Kingdom income tax as long as they do not constitute payments in respect of interest. They may, however, be subject to reporting requirements as outlined in paragraph (h) below.
- (c) Where Notes are issued with a redemption premium, as opposed to being issued at a discount, then any such element of premium may constitute a payment of interest and, if so, paragraphs (d) to (g) below (as appropriate) will apply.
- (d) Interest payable on Notes which have a maturity of less than one year and are not issued under arrangements the effect of which is to render such Notes part of a borrowing with a total term of one year or more, can be paid without withholding or deduction for or on account of United Kingdom income tax.
- (e) Interest on the Notes (other than interest falling within paragraph (d) above) may be paid without withholding or deduction for or on account of United Kingdom income tax provided that the Notes are listed on a "recognised stock exchange" within the meaning of section 841 of the Income and Corporation Taxes Act 1988. The London Stock Exchange is a recognised stock exchange for these purposes. Provided, therefore, that the Notes are and remain so listed, interest on the Notes will be payable without withholding or deduction for or on account of United Kingdom income tax.
- (f) In all other cases, interest will generally be paid under deduction of income tax at the lower rate (currently 20 per cent.) subject to any direction to the contrary from the Inland Revenue in respect of such relief as may be available pursuant to the provisions of any applicable double taxation treaty.
- (g) Noteholders should note that the provisions relating to additional amounts referred to in "Terms and Conditions of the Senior Notes — Taxation" and "Terms and Conditions of the Subordinated Notes — Taxation" above would not apply if the Inland Revenue sought to assess directly the person entitled to the relevant interest to United Kingdom tax. However, exemption from, or reduction of, such United Kingdom tax liability might be available under an applicable double taxation treaty.
- (h) Noteholders who are individuals may wish to note that the United Kingdom Inland Revenue has power to obtain information (including the name and address of the recipient or beneficial owner of the relevant payment) from any person in the United Kingdom who either pays interest to, or receives interest for the benefit of, an individual. The United Kingdom Inland Revenue also has power to

obtain such information from any person in the United Kingdom who either pays amounts payable on the redemption of Notes which may be redeemed at an amount in excess of their issue price to, or receives such amounts for the benefit of, an individual (however, in relation to amounts payable on the redemption of such Notes, United Kingdom Inland Revenue published practice indicates that the United Kingdom Inland Revenue will not exercise its power to obtain information in respect of such payments where the relevant amount is paid or received, as the case may be, on or before 5 April 2004). Information so obtained may, in certain circumstances, be exchanged by the United Kingdom Inland Revenue with the tax authorities of other jurisdictions.

- (i) If interest were paid under deduction of United Kingdom income tax (e.g. if the Notes lost their listing), Noteholders who are not resident for tax purposes in the United Kingdom may be able to recover all or part of the tax deducted if there is an appropriate provision in an applicable double taxation treaty.
- (j) Interest on the Notes has a United Kingdom source and accordingly remains chargeable to United Kingdom tax by direct assessment even if the interest is paid without withholding or deduction. However, interest will not generally be assessed to United Kingdom tax by direct assessment in the hands of a holder of Notes who is not resident in the United Kingdom, except where such person, in the case of an individual, carries on a trade, profession or vocation in the United Kingdom through a United Kingdom branch or agency or, in the case of a body corporate carries on a trade in the United Kingdom through a permanent establishment, in connection with which the interest is received or to which the Bonds are attributable, in which case (subject to exemptions for interest received by certain categories of agent, such as brokers and investment managers) tax may be levied on the United Kingdom branch or agency or permanent establishment.

SUBSCRIPTION AND SALE

Summary of Distribution Agreement

Subject to the terms and on the conditions contained in an Amended and Restated Distribution Agreement dated 24 March 2004 (the “Distribution Agreement”) between L&G, L&GF, the Permanent Dealers and the Arranger, the Notes will be offered on a continuous basis by either L&G or L&GF to the Permanent Dealers. However, each of L&G and L&GF has reserved the right to sell Notes directly on its own behalf to Dealers that are not Permanent Dealers. The Notes may be resold at prevailing market prices, or at prices related thereto, at the time of such resale, as determined by the relevant Dealer. The Notes may also be sold by each of the Issuers through the Dealers, acting as agents of the relevant Issuer. The Distribution Agreement also provides for Notes to be issued in syndicated Tranches that are jointly and severally underwritten by two or more Dealers.

The relevant Issuer will pay each relevant Dealer a commission as agreed between them in respect of Notes subscribed by it. The Issuers and the Guarantor have agreed to reimburse the Arranger for its expenses incurred in connection with the establishment of the Programme and the Dealers for certain of their activities in connection with the Programme. The commissions in respect of an issue of Notes on a syndicated basis will be stated in the relevant Pricing Supplement.

The Issuers and the Guarantor have agreed to indemnify the Dealers against certain liabilities in connection with the offer and sale of the Notes. The Distribution Agreement entitles the Dealers to terminate any agreement that they make to subscribe Notes in certain circumstances prior to payment for such Notes being made to the relevant Issuer.

Selling Restrictions

United States

The Notes have not been and will not be registered under the U.S. Securities Act of 1933 as amended (the “Securities Act”) and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in certain transactions exempt from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

Notes in bearer form are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code and regulations thereunder.

Each Dealer has agreed that, except as permitted by the Distribution Agreement, it will not offer, sell or deliver the Notes of any identifiable Tranche, (i) as part of their distribution at any time or (ii) otherwise until 40 days after completion of the distribution of such Tranche as determined, and certified to the relevant Issuer, by the Issuing and Paying Agent, or in the case of Notes issued on a syndicated basis, the Lead Manager, within the United States or to, or for the account or benefit of, U.S. persons, and it will have sent to each dealer to which it sells Notes during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, U.S. persons.

In addition, until 40 days after the commencement of the offering, an offer or sale of Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act.

United Kingdom

Each Dealer has represented, warranted and agreed that:

- (i) in relation to Notes which have a maturity of one year or more and which are to be admitted to the Official List, it has not offered or sold and will not offer or sell any Notes to persons in the United

Kingdom prior to admission of such Notes to listing in accordance with Part VI of the Financial Services and Markets Act 2000 (the “FSMA”), except to persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of their businesses or otherwise in circumstances which have not resulted and will not result in an offer to the public in the United Kingdom within the meaning of the Public Offers of Securities Regulations 1995 or the FSMA

- (ii) in relation to Notes which have a maturity of one year or more and which are not to be admitted to the Official List, it has not offered or sold and, prior to the expiry of a period of six months from the issue date of such Notes, will not offer or sell any such Notes to persons in the United Kingdom except to persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of their businesses or otherwise in circumstances which have not resulted and will not result in an offer to the public in the United Kingdom within the meaning of the Public Offers of Securities Regulations 1995
- (iii) in relation to any Notes which have a maturity of less than one year from the date of their issue, (a) it is a person whose ordinary activities involve it in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of its business and (b) it has not offered or sold and will not offer or sell any Notes other than to persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of their businesses or who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for the purposes of their businesses where the issue of the Notes would otherwise constitute a contravention of section 19 of the FSMA by the relevant Issuer
- (iv) it has only communicated or caused to be communicated and will only communicate or cause to be communicated any invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA received by it in connection with the issue or sale of any Notes in circumstances in which section 21(1) of the FSMA does not apply to the relevant Issuer or the Guarantor and
- (v) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to such Notes in, from or otherwise involving the United Kingdom.

Japan

The Notes have not been and will not be registered under the Securities and Exchange Law of Japan (the “Securities and Exchange Law”). Accordingly, each of the Dealers has represented and agreed that it has not, directly or indirectly, offered or sold and will not, directly or indirectly, offer or sell any Notes in Japan or to a resident of Japan except pursuant to an exemption from the registration requirements of, and otherwise in compliance with the Securities and Exchange Law and other relevant laws and regulations of Japan. As used in this paragraph, “resident of Japan” means any person resident in Japan, including any corporation or other entity organised under the laws of Japan.

The Netherlands

Each Dealer has represented and agreed that it has not, directly or indirectly, offered or sold and will not, directly or indirectly, offer or sell in or from The Netherlands, whether at their initial distribution or any time thereafter, any Notes (including rights representing an interest in a Note in bearer form) with a denomination of less than €50,000 (or its foreign equivalent) other than to persons who trade or invest in securities in the conduct of a profession or business (which includes banks, stockbrokers, insurance companies, pension funds, other institutional investors and finance companies and treasury departments of large enterprises) unless one of the other exemptions or exceptions to the prohibition contained in Article 3 of the Dutch Securities Transactions Supervision Act 1995 (“*Wet toezicht effectenverkeer 1995*”) is applicable and the conditions attached to such exemption or exception are complied with.

In addition to the above, Zero Coupon Notes in definitive form or other Notes that qualify as savings certificates as defined in the Savings Certificate Act (*Wet inzake Spaarbewijzen*) in definitive form may only

be transferred and accepted through the mediation of either the Issuer or a member of Euronext Amsterdam N.V. in accordance with the Savings Certificates Act of 21 May 1985. Such restrictions do not apply (a) to a transfer and acceptance of Zero Coupon Notes in definitive form between individuals not acting in the conduct of a business or profession, (b) to the transfer and acceptance of Zero Coupon Notes in definitive form within The Netherlands if all Zero Coupon Notes (either in definitive form or as rights representing an interest in the Zero Coupon Instruments in global form) are issued outside The Netherlands and are not distributed within The Netherlands in the course of initial distribution or immediately thereafter or (c) to the initial issue of such instruments to the first holders thereof. If the Savings Certificates Act is applicable, certain identification requirements in relation to the issue, transfer of or payment on the Zero Coupon Notes will have to be complied with. For the purposes of this paragraph “Zero Coupon Notes” are Notes that are in bearer form and that constitute a claim for a fixed sum against the Issuer and on which interest does not become due prior to maturity or on which no interest is due whatsoever.

Switzerland

Each issue of Notes denominated in Swiss francs or carrying a Swiss franc related element will be effected in compliance with the relevant regulations of the Swiss National Bank, to the extent applicable, by a bank or finance company domiciled in Switzerland which is regulated under Article 7 of the Federal Law on Banks and Savings Banks of 1934 (as amended) (which includes a branch or subsidiary located in Switzerland of a foreign bank). Under the current guidelines of the Swiss National Bank, the Swiss entity must obtain authorisation from the Swiss National Bank before carrying out the transaction.

General

These selling restrictions may be modified by the agreement of the Issuers and the Guarantor and the Dealers following a change in a relevant law, regulation or directive. Any such modification will be set out in the Pricing Supplement issued in respect of the issue of Notes to which it relates or in a supplement to this Information Memorandum.

Other than in the United Kingdom, no action has been taken in any jurisdiction that would permit a public offering of any of the Notes, or possession or distribution of the Information Memorandum or any other offering material or any Pricing Supplement, in any country or jurisdiction where action for that purpose is required.

Each Dealer has undertaken that it will not, directly or indirectly, offer or sell any Notes or distribute the Information Memorandum or publish any offering circular, prospectus, form of application, advertisement or other document or information in any country or jurisdiction except under circumstances that will, to the best of its knowledge and belief, result in compliance with any applicable laws and regulations and neither the Issuer nor, in the case of Notes issued by L&GF, the Guarantor, nor any other Dealer shall have responsibility for the action of such Dealer.
