1. On 31 December 2015 Legal & General Holdings (France) S.A. was sold to APICIL Prevoyance.

2. L&G Nederland Beleggingen B.V was liquidated on 9 September 2015. No revenue was generated in the year and no annual financial statements for the year period to 9 September 2015 have been prepared. There are no longer entities in the Netherlands that are in scope of CRD IV reporting requirements. Any information relating to entities in the Netherlands are included within "Other".

3. Turnover represents "Total Revenue" per the Group annual report and accounts. Turnover and Profit before tax for the CRD IV entities are derived using local entity accounts, prepared, depending on the entity, under local GAAP or IFRS. At a Group level turnover, defined as "Total Revenue" in the Group accounts, and Profit before tax, are prepared on a consolidated basis under IFRS.

4. Individuals are employed by service companies in individual territories, with their time being split across several entities. A reallocation of that time has not been performed here.

5. Tax on profit represents total corporate income taxes paid in the period based on local taxable profits. Due to instalment payment regimes, corporate income taxes paid in one year may relate to the year of payment or the preceding year. Tax is paid by other group companies on behalf of in scope entities, either as the nominated payment company or because the group files a consolidated return. Tax payable may also be reduced due to the offset of losses either from prior periods or arising elsewhere in the Group.

6. Total tax expense represents the total tax charged/(credited) through the Income Statement during the period. The CRD IV numbers are taken from the local entity accounts while the rest of Group numbers are on a consolidated IFRS basis and represent the total in each territory.

Independent auditors' report to the Directors of Legal & General Group Plc

We have audited the accompanying schedule of Legal & General Group Plc for the year ended 31 December 2015 ("the schedule"). The schedule has been prepared by the directors based on the requirements of the Capital Requirements (Country-by-Country Reporting) Regulations 2013.

Directors' Responsibility for the schedule

The directors are responsible for the preparation of the schedule in accordance with the Capital Requirements (Country-by-Country Reporting) Regulations 2013, for the appropriateness of the basis of preparation and the interpretation of the Regulations as they affect the preparation of the schedule, and for such internal control as the directors determine is necessary to enable the preparation of the schedule that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the schedule based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the schedule is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the schedule. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the schedule, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the schedule in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the schedule.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the country-by-country information in the schedule as at 31 December 2015 is prepared, in all material respects, in accordance with the requirements of the Capital Requirements (Country-by-Country Reporting) Regulations 2013.

Basis of Preparation and Restriction on Distribution

Without modifying our opinion, we draw attention to the notes to the schedule, which describe the basis of preparation. The schedule is prepared to assist the directors to meet the requirements of the Capital Requirements (Country-by-Country Reporting) Regulations 2013. As a result, the schedule may not be suitable for another purpose.

Our report is intended solely for the benefit of the directors of Legal & General Group Plc. We do not accept or assume any responsibility or liability to any other party save where terms are agreed between us in writing.
